GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT. 1e

3rd February 1882, No. 564.

Commissariat Department—Establishment.

Read the following paper:—

No. 24. *From Colonel R. A. MOORE, Acting Commissary-General, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department, Fort St. George; dated Madras, 20th January 1882, No. 8874.*

I have the honor to report that the head writer at Cannanore, C. Ragoonandanum Pillay, obtained leave of absence for six days on the 13th November 1881 to visit Madras, but never arrived here and has been absent without leave for two months.

2. To-day I have received from him the enclosed petition, in which he states that he was attacked by cholera at Erode, and then proceeded to Trichinopoly, where he had a severe attack of fever and diarrhoea.

He then went, he says, to Tanjore, where he had a second attack of cholera and fever, and did not recover till the 16th instant, when he immediately proceeded to Madras.

3. In accordance with the rules of the services, Ragoonandanum Pillay was removed from his appointment as absent without leave, and his place has been filled up. He is deeply in debt, and has been unfavorably reported on; I do not, therefore, recommend his reinstatement in his appointment, but recommend for the favorable consideration of Government that he may be granted the pension to which his service entitles him.

No. 25. ORDER THEREON, 3rd February 1882, No. 564.

The Government observe that, apparently, no attempt has been made to verify C. Ragoonandanum Pillay's statements. There should be no difficulty in ascertaining whether this individual was under treatment in the General Hospital on the date* of his petition. If illness was the

cause of his absence, the order removing him from his appointment should be cancelled, his leave extended without pay pending transfer to the Pension Establishment, and the prescribed application for pension submitted to Government, supported by the necessary medical evidence of unfitness for further service.
