From

To

The Hon^{ble} R. Davidson, C.S.D.
Chief Secretary to Government
Pension Department, Fort St George.

Sir,

With reference to para 3 of the
Proceedings of Government in the Pen-
sion Department dated the 13th Septem-
ber 1881, No 870, I have the honor to
state that the Service of Anthony
Pais as Monigar on the Village Esta-
blishment of this District from 16th
November 1853 to 31st October 1860 seems
to fulfil both the conditions men-
tioned in the above Order. Although the
office of Monigar held by Anthony
Pais formed part of the Village Esta-
blishment of this District, and the
Salaries of the Monigars were dis-
bursed

derived from the lump grant sanctioned for defraying the cost of this Establishment (no Village cess or other similar impost being levied for the purpose in the District), yet the office in question was always regarded as one distinct from the ordinary Village Establishment the appointments in which are regulated by the hereditary principle. The duties of ^{the} Allonegars were in every respect analogous to those of the present Revenue Inspectors and the servants were appointed and removed under the same conditions and were subject to the same control as any other public servant of the Regular Establishment of the District. They in fact formed a part of the Taluk Staff, though nominally borne on the Village Establishment.

in which service as Monegira for the Village Establishment of this District has been recognized by Government as service qualifying for pension when the pay of the appointment amounted to Rs. 10-8-0 and upwards, and a reference to the following Orders of Government and to the correspondence therein recorded, will furnish the more prominent and recent instances of such recognition.

I have the honor to be,
Sir,
Your most obed^t. Servant

OFF. ACCOUNTANT GENERAL.

TO THE GOVERNMENT OF MADRAS,

To

THE Under Secretary to Government,
Pension Department,
Fort St. George.

SIR,

With reference to your Endorsement
of 1st 1881 dated the 5th November 1881, referring to
me for remarks & letter from the Collector of
South Canara, C. S. 2323, dated the 26th October
1881, I have the honor to state that according
to the precedent recorded in Government
Order, C. S. 325, dated the 9th October 1866,
Pension Department, the Service of Anthony
Pias as Monegaran and the Village Establish-
ment from 16th November 1863 to 31st
October 1864 (which, owing to the circum-
stances detailed in Mr. Taylor's report
quoted in Government Order C. S. 240 of
27th June 1866, is not borne on the
records of this office) may be regarded
as pensionable. As, however, the directions
in the Preliminary to the Financial Codes

preclude

15
#

preclude orders not contained therein being
trusted in deciding on submitting for
orders any question affecting pension
of any Officer engaged in the Civil
Administration, and as there is no specific
provision in the Civil Pension Code for
the grant of pension for service rendered
and paid as that of Village Inamdar
(an appointment in the Village Service
Establishment), it seems desirable that
the Government of India should be moved
to issue a ruling so as to govern this and
future similar cases, as in the case of
Devastanin Establishment. Vide Govern-
ment of India L. 388 dated the 25th
January 1877. Financial, recorded in
Government Order L. 120 dated the 13th
March 1877, Pension Department.

The enclosures to your endorsement
under reply and to your (wrapper) —
Memo L. 110 of the 21st ultimo are
herewith returned.
