Read the following papers.

From the Superintendent Army Clothing Madras

dated 18th November 1881 N^o 103.

" Controller of Military Accounts dated 13th December 1881 G.

Order thereon 5th January 1882 N^o 10

With reference to para 2 of the Military Controller's report dated 13th Instant G. it appears that even if the break in Mr. Taylor's service be condoned, he cannot under the Rules be allowed to count his service before the 19th July 1857 amounting to 10 months and 18 days as all his previous service is stated to have been temporary. Deducting such service his net service towards half pension falls short of 25 years by 1 year, 1 month and 25 days; but as Mr. Taylor is not yet 55 years old he cannot be compulsorily removed from his appointment unless medically certified to be unfit for further service; so that so far as the case is now before Government no pension of any description is admissible under the Code.

2. To entitle the applicant to a 1/3rd pension, a Medical Certificate of unfitness for further service

Service must be submitted, otherwise the applicant must be continued in Service, though not necessarily in his present post if he is not fit for it, till he attains his 55th year, or he may be allowed to remain in Service, if possible, till he has earned a half pension.

3. . . . The applicant's Service Book is incompletely submitted, the reason of termination in Column 11 is not filled in and Column 12 is not signed by the Head of the Department.

Under the explanation now furnished, the Right Honorable the Governor in

Fort Saint George, Military Consultation of 15th April 1856.

Nos. 27 to 30.

From the Military Board, 5th April 1856, No. 352; to the Secretary to Government, Military Department.

We have the honor to enclose the memorandum from the Secretary, called for in para 3 of Minutes of Consultation No. 793, of 3d April 1856.

Memorandum from the Secretary Military Board, 5th April 1856.

In reference to para. 2 of Extract Minutes of Consultation No. 793, of 3d April 1856, the Secretary has the honor to submit a modified Tabular Statement strengthening the Military Board Office by increasing the numbers by (6) six as sanctioned, and by raising the salaries of existing situations without extending the latter measure to the inferior officers.

2. This has been effected by taking the first (15) fifteen salaries in the former Statement as proposed by the Secretary, these all embracing situations which it is absolutely necessary should be filled by well qualified persons, the Establishment is then completed by taking the last (44) forty four hands on the salaries allowed to them at present.

3. In reference to para. 3 of the above quoted Extract Minutes of Consultation, the Secretary has the honor to state that, to enable him to comply with the orders of Government, the only means is at once to organize the Establishment as sanctioned by Government, and he therefore respectfully requests that the sanction of that authority may be obtained, for his Monthly Contingent Bill for Rupees (822) being passed until the final sanction shall be received.

No. 52.

Read the following letter, from Lieut. Colonel G. Balfour, Inspector General of Ordnance and Magazines, 22nd June 1857, No. 96; to the Secretary to Government, Military Department.

Sir,

With reference to Extract Minutes of Consultation No. 847 dated 15th April 1856, granting an additional allowance of Rupees (822) eight hundred and twenty-two, to the Establishment of the late Military Board, and to the published Rules for regulating leave of absence to parties not in the covenanted service, I have the honor to solicit the opinion of Government whether or not any portion of the increased pay granted by the above Extract to certain incumbents on this Office Establishment is to be drawn while absent on certified sickness.

2. I am induced to request the expression of such an opinion, as I am unwilling to be instrumental to diverting any of the monies of Government from their legitimate application.

No. 53.

ORDER, No. 2274, 13th July 1857.

The Governor in Council understands with reference to the late Military Board's letter of the 5th April 1856—that the increased allowance then applied for was to be appropriated for the purpose of placing the Salaries of the several grades of the Office Establishment on what was represented to be the footing necessary in order to maintain the Establishment in an efficient state.

2. The Salaries, so arranged, must therefore be considered as the fixed Salaries of the several grades—and should apparently be governed by the rules applicable to all other Salaries.

SIR,

With reference to the Order of Government No 10 dated 5th January 1882, intimating that the services of Mr G. W. M. Taylor, prior to 19th of July 1857, do not count for pension for one half of his salary, on the ground of such services having been temporary, I have the honor to make the following representation in Mr Taylor's behalf, for the favorable consideration of Government.

2. Mr Taylor was entertained in the Office of the late Military Board on the 1st September 1856, vice Mr G. Childs resigned. He with 5 or 6 other Clerks belonged to a temporary establishment of the late Military Board Office, and drew their pay on a separate Abstract, as per true extract enclosed for information.

3. About December 1856 a special Officer was deputed to proceed to Birmah, via Calcutta, to take over the Ordnance Stores

from the Bengal Ordnance Department,
Major J. L. Barrow (now Major General Barrow
CB) was the Officer nominated, and Clerk,
Mr Taylor was nominated to accompany him.
Mr Taylor provided a substitute ^{in the Military Board Office} a Mr R. J.
Newbigging, as is corroborated in the enclosed
true copy of Certificate granted to that in-
dividual.

4 On the 30th April 1857, the
Military Board Office merged into the Office
of the Inspector General of Ordnance & Magazines,
in which date Mr Taylor was in Burmah
with Major Barrow, and the Secretary, Captain
Hope, spoke of him as an employee then on
the Establishment, vide his Certificate
enclosed. Mr Taylor returned to Madras
on the 25th July 1857, and with the view of
resuming his duties in the same Office
under a new name attended Office, and
he was told that his substitute, Mr New-
bigging, was confirmed in the appointment,
but that in the first vacancy occurring he,
Mr Taylor, would be sent for. An appoint-
ment of 50 Rs subsequently became
vacant, which was offered to and accepted
by Mr Taylor on the 1st January 1858.

5 Mr Taylor represents to me
that the temporary Establishment was
amalgamated with the permanent and
became one Establishment from the 1st
May 1857. Mr Beaumont, the Head
Assistant of this Office, who was with

23
Mr Taylor on the same Establishment, con-
firms the fact of such an arrangement.
But for the break between Mr Taylor's return
from Burmah and his entertainment in
the Office of Inspector General of Ordnance
& Magazines, he would now have served over
25 years, thus entitling him to half pension
on the production of a Medical Certificate.

6 Under the above mentioned
circumstances, Mr Taylor begs that he may
be allowed to count the period of his service
prior to 19th July 1857, and that the break in
his service may be condoned, inasmuch
as it was a circumstance beyond his control,
Colonel Balfour having conferred his appoint-
ment on his substitute, instead of keeping it
for him as he expected would be done.

I have the honor to be,
Sir,
Your most Obedient Servant,
Wm. R. Colonel
Ag. Superintendent Army Clothing.
