FROM

THE SECRETARY TO THE GOVERNMENT OF
FORT SAINT GEORGE,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

I am directed to forward the case of S. Rungasami Mudalliar, late Clerk, Commissariat Department, for the consideration of the Government of India.

2. The applicant, after a short service in an inferior grade, was on the 21st May 1855 made a Conicopillay in the Military Store Department on a pay of Rs. 10-8-0. He was subsequently a Storekeeper on the same pay, and was on the 30th June 1864 thrown out in the reduction of establishment. He was eight months without employment, and on the 1st March 1865 he was re-entertained in the service as a Purveyor on Rs. 14. On the 31st October 1867, being suspected of having, in concert with his brother, made a fraudulent attempt at an enormous overcharge, he and his brother were dismissed for having shown themselves in the matter to be undeserving of further employment or trust. The order was however subsequently modified, which gave the applicant the benefit of the doubt in his case, and declared him eligible for further employment.

3. Although this order was dated 7th December 1868, he did not succeed in securing another post until 1st February 1870. The result was a break in his service of two years and three months' duration. He has since served eleven years and eight months, whereby his total superior service amounts altogether to twenty-three years, five months, and ten days, for which under ordinary circumstances he would be entitled to a pension of Rs. 8-5-4. But the break above referred to of two years and three months vitiates all his service prior to 31st December 1865.

4. As the case upon which petitioner was dismissed was admittedly one more of strong suspicion than of actual proof, and the Head of his Department ultimately cancelled his original order of dismissal, I am, in consideration of applicant's long service and his subsequent good conduct, to recommend the condonation by the Government of India of the break in the service above mentioned so as to admit of his counting for pension the service of eleven years, nine months, and ten days prior to his dismissal, and thereby to grant to him a pension of Rs. 8-5-4 to which he would be entitled in lieu of the gratuity of Rs. 275, which is all this Government can grant him for his later service of eleven years and eight months.

I have the honor to be,
Sir,
Your most obedient servant,

FORT ST. GEORGE,
6th January 1882.

Secretary to Government.

Sir,

In returning Rungasamy's Petition and its enclosures received with your Memo. No 6091, I have the honor to state that the case against the Petitioner was more one of strong suspicion than of actual proof.

The Bills were signed by his brother and the money received by him who was the ostensible Contractor and the only one who appeared in the matter & now the first Rungasamy denied all knowledge of or share in the purchase. and the most doubtful this I could not get proof of the complicity.

As Petitioner is an old man and in I understand reduced circumstances and now out of employment for about a year, and has Satisfactory Testimonials as an Hospital Dresser, I would suggest his being re-employed

I have &c

No 5055 of 29th October 1867.

I have the honor to acknowledge the receipt of your letter with the explanation given by Rungasawmy Purveyor attached to the Hospital 2/60 Rifles regarding the rate charged by him for certain Palmyra reepers purchased and supplied to the Department through his brother a marker in the Store Department.

Rungasawmy appears to have charged Rs 1-12-- per reeper whereas Major Bardin reports that after careful enquiry he found 10 annas to be the proper price and passed that rate only.

Rungasawmy who purchased and Ramasawmy who signed the bills must thus between them have attempted to overcharge Rs 1-2-- on each reeper or Rs 1631-4-- on the transaction.

This glaring attempt at an enormous overcharge calls for serious notice, and as these two men have shewn themselves in the matter to be undeserving of further employment or trust they are to be at once discharged.

This case very clearly shews that unless purchases can be superintended and carefully scrutinized, it is preferable to have recourse to contracts. The Storekeeper General should therefore furnish a list of all the petty articles likely to be wanted for his department, and they as well as those required for the Executive should be procured through a contractor in future instead of leaving the supply to a servant of the Department.

A copy of this letter has been furnished for information and guidance to the Storekeeper General

He was only given the benefit of a doubt

and declared ineligible for further employment and that too not at the Presidency.

Although this order is dated 7th December 1868, he did not succeed in securing a posting until 15th February 1870. The break in his service on this account is of 2 yrs and 3 months duration. Orders are solicited if the Govt of India should under the circumstances above stated be asked to condone the break in the service so as to admit of a pension of Rs 8-5-4 for his total service of 23 years 5 m & 10 days in lieu of the gratuity of Rs 275 which this Govt can grant him for his late service of 11 yrs & 9 months.

Sir,

1. I am directed to forward the case of S. Rungasami Mudaliar late clerk Commissariat Department for the consideration of the Government of India

2. The applicant after a short service in an inferior grade was on the 31st May 1855 made a Conicopillay in the Military Store Department on a pay of Rs. 10–8. He was subsequently a Store Keeper on the same pay and was on the 30th June 1864 thrown out in the reduction of Establishment. He was 8 months without employment and on the 1st March 1865 he was re-entertained in the Service as a Purveyer on Rs. 14–6 on the 31st October 1867 being suspected of having in concert with his brother made a fraudulent attempt at an enormous overcharge; he and his brother were dismissed for having shown themselves in the matter to be undeserving of further employment

or trust. The order was however subsequently modified which gave the applicant the benefit of the doubt in his case and declared him eligible for further employment.

3. Although this order was dated 7th December 1868, he did not succeed in securing another post until 1st February 1870. The result was a break in his Service of 2 years and 3 months duration. He has since served 11 years and 8 months, whereby his total superior Service amounts altogether to 23 years 5 months and 10 days for which under ordinary circumstances he would be entitled to a pension of Rupees 8—5—4. But the break above referred to of 2 years and 3 months, vitiates all his Service prior to 31st December 1863. As the case upon which Petitioner was dismissed was admittedly one more of strong suspicion than of actual proof and the Head of his Department ultimately cancelled his original order of dismissal, I am in consideration of applicant's long Service and his subsequent good conduct to recommend the condonation by the Government of India of the break in the Service above mentioned so as to admit of his counting for pension the Service of 11 years 9 months and 10 days prior to his dismissal and thereby to grant to him a pension of Rs. 8—5—4 to which he would be entitled in lieu of the gratuity of Rs. 275 which is all this Government can grant him for his later Service of 11 years and 8 months.
