Copy of letter from the Honorable P. W.
Accounts to the Superintending Engineer 1st
Circle No 805 S.E. 1st dated 22 December 1881.

I have the honor to return herewith
the gratuity papers of Kittala Kaniach
Puntulu received with your letter No 4142
dated 9 December 1881 and to request that
the same may be retransmitted to this
office with information on the following
points.

(a) The circumstances under which the
applicant's services for the period from 26th
July 1877 to 26 September 1877 during which
he was employed as acting Taluk Waker
on half pay have been classed as qualifying.

(b) The entries in the Audit Registers of
this office show that the applicant
was absent without leave for 1st to
10 February 1880 and not for only 8th and
9th February 1880 as noted in service
book. Explanation requested.

(c) The delay of over 20 months in
the submission of the gratuity applica-
tion as also the reasons for which it
was found impossible to provide
the applicant with other suitable
employment should be explained for the
information of Government.

2 Early return of the papers with the information called for duly supplied is requested.

Copy of letter from the Executive Engineer
Vizagapatam Division, to the Superintending Engineer
1st Circle No 2749. Dated 14th January 1882.

Reference your foot note No 103 V.3. Dated
29th December 1881 to the Examiner's letter No 805 S.E. 1st dated
the 22nd December 1881.

I have the honor to furnish information on the several
points questioned by the Examiner Public Works Accounts
as below

(A) The applicant's services for the period from 26th
July 1877 to 26th September 1877 was treated as non-quali-
fying only, vide entries on the 1st page of the Pension
Application, but in the History of Service as qualifying,
which is a clerical error, and has been rectified.

(B) Pay for 1st to 7th and 10th February 1880 was
claimed in the Salary bill for July 1880 and passed
by the Examiner vide item No 42 in the audited bill.

(C) The delay in the submission of the Gratuity
application is owing to want of information from the
applicant whether or not he wishes to apply for Gratuity
and

and the great difficulty in verifying the services of all the thrown out hands.

(D) It was not possible to provide the applicant with a suitable employment in consequence of general reductions in the Department, there being no room available in any capacity.

The papers therewith received are returned herewith.

In the Public Works Department, periods of service should be verified by the Examiner P. W. Accounts, Section 81 Rule 2.

If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Heads of the Offices in which the applicant states he served during the period in doubt, Section 84 Rule 1; and if verification from this source be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, e.g., official certificates and the evidence of contemporary employees, Section 84 Rule 2. If the latter course be adopted the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not, Section 84 Rule 6. The Last Pay Certificate, prescribed in Section 85, should always accompany the Final Pension Application.
