Copy of letter from the Superintending
Engineer 3rd Circle Bellary to the Commr. of Public
Works Accounts, Madras No 227 dated 10 January 1902

With reference to your letter No 655 & 656
dated 19 December 1901 I have the honor to inform
you that Consul Mr. Elliott's services were dis-
-pensed with under the orders of the Chief Engineer
as being in excess of the requirements of the
Department.

2. He was not entitled to the concessions
granted by the Notification of the Government of
India dated 31 July 1879 on account of his short
Service of 10 months, and his claim to 3 months pay
in lieu of notice under Rule 2 Section 100 of the
Civil Pension Code appears to be admissible.

Endorsement of the Commr. P. W. Accounts,
Madras No 1260 S. E. 3^d of 3^d February 1902.

Forwarded to the Secretary to Government
Public Works Department in original for
favorable consideration and orders.

2. The orders regarding the grant of the
Special Concessions could not have been intended
to

to deprive an applicant of the lesser benefit & #2
because he was not entitled to the greater
Under ordinary rules (Civil Pension Code Section
100 Rule 2) Mr Elliot would apparently have
been entitled to pay on him of notice of his
loss of his appointment on reduction of Establish-
ment and as his services in the Public
Works Department appear to have been
dispensed with with reference to the (labour)
General reduction of our Establishment
there seems no objection to an application
(being submitted on his behalf to Govern-
ment in the Pension Department for
necessary sanction.
