4TH MARCH 1882, No. 210, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—letter from the First Member, Board of Revenue, in charge of Revenue Settlement Department, dated 10th December 1881, No. 2765-85.

READ—Certificate and Report from H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 31st January 1882, No. A.D.J-438.

ORDER—dated 4th March 1882, No. 210, Pension.

Under Sections 100 and 109 (b) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Jiddu Lakshmicanta Row, late Acting Uncovenanted Assistant, Revenue Settlement Department, Ganjam District, a compensation pension of Rs. (75) seventy-five per mensem, payable at Parlákimedi from 1st July 1880, in consideration of his qualifying superior service of twenty-five years and eight days.

2. Of the above service only twenty-two years, two months, and thirteen days have been verified from records. The Government, however, on the perusal of the correspondence and the original certificate submitted by the applicant, are pleased to accept his service from 6th January 1854 to 31st October 1856 as proved.

3. It is observed that the average salary of the applicant for the last five years of his service was Rs. 150, and not Rs. 164-4-10 as entered in the register submitted by the Deputy Director of Revenue Settlement. The latter amount seems erroneously to include the acting allowances drawn by the applicant during the last five years of his service. Although Lakshmicanta Row drew the full pay of his officiating appointment as Uncovenanted Assistant from 13th October 1879 to 30th June 1880, his status was simply that of an acting officer, for the permanent incumbent of the appointment (who was at the time on special duty) was entitled to count service for pension therein. Lakshmicanta Row's pension has therefore been calculated on the pay of his substantive appointment as Supervisor, viz., Rs. 150.

4. As regards the small overdrawal that is reported to have been made in October 1861, further inquiry is unnecessary as no recovery need now be made.

The computations have been duly verified
 The computations required by rules 1 and 6 under section 100 of the Code and given by the
 Deputy Director of Pensions & Settlement in his remarks, opposite to No 14 on the 3^d page of this application

The figures \$3,164-4-10 representing the average emoluments, returned opposite to \$2,100 on the 1st page of the application, appears to include the acting allowance drawn by the applicant during the last 5 years of his service which acting or unremunerated assistant. The permanent incumbent of this appointment however, who was at the time on special duty, was entitled to count service for pension in regard it follows therefore that the applicant though appointed to act "substantive" postmaster, could not also count service for pension at the same time thereon, and his claim to receive the acting allowance in the voluntary average emoluments, is therefore untenable. - This office has accordingly rejected the acting allowance and calculated the amount of his pension on his last salary, \$2,100.

From the report of the Examiner Public Works Accounts it is apparent that the applicant was employed in the Public Works Department as Accountant and Estimator on pay of Rs. 42.0-0 per annum up to 31 October 61, which from the remarks by the Revenue Settlement Report recorded in red ink in the history of Revenue, he would seem to have drawn pay also in the Revenue Settlement Report. This has been Rs. 42.0-0 at Rs. 25 and from 14 to 31 October 1861 at Rs. 20.0-0 a month. It follows therefore that the applicant drew pay from 5 to 31 October 61 in both the Report. Regarding the double drawal, a further reference has been made to the Deputy Director of Revenue Settlement, and his reply will be submitted to Government in order that they may decide whether the pay drawn in the former Report should or should not be recovered from the amount of any pension that may be sanctioned to the applicant.

The delay in the endorsement of this application is explained by the effect in charge of the Settlement Dept. in his endorsement Dec 29/86 dated the 10th Dec. /81 accompanying.

A true copy of a Kelga Order received from the then Dy. Director Mr. J. W. Morris appointing me as Deputy Inspector is herewith enclosed for perusal.

July 1861

I beg to state that nothing was deducted from my pay of that month for the following reasons.

1st The deduction could not be a fine as it is not a round figure.

2^{ndly} It may be considered that the deduction was not made on my pay which was Rs 40 a month (31 days in July) as by calculation of a day or two days pay the amount comes to Rs 1.4.8. & 2.9.4 respectively. I believe that the sum might have been deducted from the pay of subordinates other than myself.

10 In conclusion, I request that I may be allowed to add here that the cases of several persons who held appointments like myself in 1854, 55 & 56 & whose services could not be verified in the Examiner's office for want of record were favourably considered by Government. I therefore pray

Service from 1st to 5th January 1884, does not count being service rendered before attainment of the 22nd year of age.

Service from 6th January/84 to 30th April/86 also does not count as neither the applicant's name nor his appointment is traceable in the Annual returns on record in this Office.

Service from 1st May to 31st October 1886, also does not count as the Examiner Public Works accounts reports in para 2 of his letter No. 1882 dated 12th June 1880 accompanying, that "there does not appear to have been an appointment of the class vizt of Peepers 20 as noted in the applicant's Service Book under Conductor Bewan."

Service from 1st November 1886 to 31st October 1887: 21-11-4 of this period of service, the Examiner in the letter quoted above, reports that only the service from 1st May/88 to 30th November/88 and from 1st May/89 to 31st October/91, has been verified from the records of his Office, the rest not being verifiable as the applicant's name did not appear in the Audit Registers of his Office. It rests therefore with Government to decide, after perusing the applicant's petitions, what portion of this period of service should be admitted towards pension.

Verified from the records of the Revenue Settlement Department as detailed in the Column "How verified," and the verification confirmed by reference partly to the Annual returns and partly to the Audit Registers on record in this Office.
