• In the Public Works Department, periods of service should be verified by the Examiner P. W. Accounts, Section 81 Rule 2. If the services claimed cannot be wholly verified from the records of the Accounts (31119), reference should be made to the Heads of the Offices in which the applicant states he served during the period in doubt, Section 81 Rule 4; and if verifications from this source be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, e.g., official certificates and the evidence of contemporary employment, Section 81 Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not, Section 81 Rule 6. The Last Pay Certificate, prescribed in Section 85, should always accompany the Final Pension Application.
