Confidential report on Process Peon
of the Munisiff Court at Bapatla

I have this day carefully examined
Moutyala Raju, a process Peon, attached
to the Bapatla Munisiff's Court, and find
him quite enfeebled & body bent from old age.
(about 65 years of age), with Cataract
of both eyes & dropsy of both feet and a
scaly rash on both legs and feet.
The above conditions in my opinion render
him clearly not to have the normal
prospects of life.

My
District Court of Kistna.

27th January 1882.

From
The District Judge
Kistna.

To The Accountant General
Madras.

Sir,
With reference to your letter No. 404
dated 7th ultimo, I have the honor to supply
the information required on the points therein

referred to-

1st The District Munsiff of
Banpatla states that the appli-
cant's services have been verified
also by a reference to the different
entries made every month in his
office in the books kept for drawing
the salaries of the Prows on
his Batta Establishment.

127 The signature required has been made in the appropriate column on the 1st page of the Service Book.

129 The District Munsiff states that the delay of 7 months and 28 days in the submission of the application was owing to the heavy work falling on the Head Clerk of his Court who is alone entrusted with the checking of this application with the old books, &c.

131 The Munsiff says that the applicant voluntarily tendered his resignation and retired from service and therefore he was not sent up for examination by a medical officer before he did so. Afterwards when the applicant put in his application for gratuity he was sent to

to the Zilla Surgeon at Guntoor who communicated the result of his examination by the confidential report forwarded to your office with the application. The District Munsiff further states that as it would appear from the Zilla Surgeon's Report that the applicant is about 65 years of age, he has, under section 103 of the Civil Pension Code, furnished a certificate as to the incapacity of the applicant, deeming that in his case a medical certificate is not necessary. I think the Munsiff's certificate may be accepted.

134 The entry of Rs 18 was erased out and the correct amount of Rs 4-3-2 has been inserted in the application.

The District Munsiff's explanation and the certificate which accompanied

accompanied it, are herewith sent.

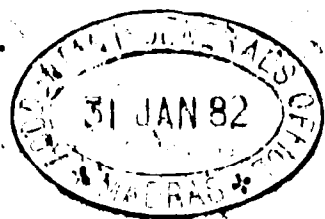

I have the honor to be,

Sir,

Your most Obedient Servant.

Acting District Judge.

Explanation submitted by the District Munsiff of Bapatta in answer to the Accountant General's letter to the District Judge, Krishna dated 7th December 1881. No. A. D. N. 188.

2. And also by reference to the different entries made every month in this Office in the Books kept for drawing the salaries of the peons in the Butta Establishment.

9. Owing to the heavy daily work devolved on the Head Clerk of this Court, who is alone intrusted with the checking of this application with the old books, the delay of 7 months & 20 days arose.

11 The applicant voluntarily tendered resignation, and retired

from service, and therefore he was not sent up for examination by a medical officer before he gave up his appointment. This was done when he subsequently put in his application for gratuity.

As the Zilla Surgeon has in his Confidential Report dated the 13th October 1881 stated that he is about 65 years of age, I enclosed a Certificate prepared by me under Section 103 of the Pension Code, deeming that in the case of this person who is reported to be above 60 years old a certificate by a medical Officer is not necessary.

I certify that Malyala Rayudu - a retired hatta peon of this Court - appears to be about 65 years of age. Looking at his present condition I consider that he is incapacitated for further service. So for as I am in a position to judge, his incapacity has not been occasioned by irregular or intemperate habits.
