It will be seen from the 1st page of the application that a regular application for permission in behalf of the applicant was prepared and submitted to this office for final disposal, nearly 15 days before the applicant was expected to relinquish charge of his appointment. But this mode of procedure is opposed to the concluding part of article 126 of the Code. The service up to 15 February 1862, has however, been admitted as perfectly proper in view of the presumption that the applicant remained and served in his appointment up to that date.

It will be seen from the application that the applicant enjoyed leave of absence on budgeted certificate from 18th June to 27th July 1898, and from 17th October 1898 to 10th February 1899. This leave was irrevocable under section 105 of the Civil Service Code. The first leave was granted pursuant to a report from the officer at a time when District Commissioners were not yet in the office. On the second occasion the application was made through this office which at the time reported favourably upon it. The fact that the leave was more than 1 year of age was brought into consideration, as the service Regulations were not written up. The Service Regulations of all gazetted officers are however now written up to date, and it is hoped that similar mistakes will not occur again. Although there may have been some in other cases which came up before the District Registrar were completed. Under these circumstances it rests with Government to decide whether any remedy should be made or not of leave allowances wrongly drawn.

In accordance with Rule 6 under section 120 the attention of Government is respectfully solicited to section 65 of the Code

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—letter from the Officiating District Judge of South Malabar, dated 31st January 1882, No. 40.

READ—the following certificate and report from H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 21st February 1882, No. A.D.J.-474:—

Certified that (subject to the remarks below recorded) qualifying service in superior grades has been duly proved for thirty-one years, four months, and twenty days, and that a retiring pension not exceeding Rs. 125 per mensem, equal to half average emoluments, is admissible under Sections 107, 109 (c), and 112 of the Civil Pension Code, Fifth Edition. The calculations have been duly verified.

It will be seen from the first page of the application that a regular application for pension on behalf of the applicant was prepared and submitted to this office for final disposal nearly fifteen days before the applicant was expected to relinquish charge of his appointment. But this mode of procedure is opposed to the concluding part of Rule 1, Section 126 of the Code. The service up to 15th February 1882 has however been admitted as qualifying for pension on the presumption that the applicant remained and served in his appointment up to that date.

It will be seen from the application that the applicant enjoyed leave of absence on medical certificate from 15th June to 7th July 1878 and from 12th October 1880 to 10th February 1881. This leave was inadmissible under Section 45 of the Civil Leave Code. The first leave was granted without a report from this office at a time when District Munsifs were not regarded as gazetted officers. On the second occasion the application for leave was forwarded through this office, which reported favorably upon it, the fact that the Munsif was over fifty-five years of age not being taken into consideration, as his service register was not written up. The service register of all gazetted officers are however now written up to date, and it is hoped that similar mistakes will not occur again, though there may have been some in other cases which came up before the service registers were completed. Under these circumstances it rests with Government to decide whether any recovery should now be made or not of leave allowances wrongly drawn.

In accordance with Rule 4 under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 8th March 1882, No. 223, Pension.

Under Sections 107, 109 (c), and 112 of the Civil Pension Code (Fifth Edition), the Right Honorable the Governor in Council is pleased to grant to Chingachom Vittil Shangaren Nair, late District Munsif of Kutnad, a retiring pension of Rs. (125) one hundred and twenty-five per mensem payable at Palghat from 22nd February 1882, in consideration of his qualifying superior service of thirty-one years, four months, and twenty days.
