Not to be folded or roughly handled

Certified that I have carefully examined *Kutanikal Krishna Menon* son of *Molannoor Moopenn Nair* at *Shroff Beyfere Custom House* in the *Malabar District*.

His age is, by his own statement, *56* years, and by appearance, about *56* years, I consider *Kutanikal Krishna Menon* to be completely and permanently incapacitated for further service of any kind,

in the Department to which he belongs in consequence of *old age*

His incapacity does not appear to *me* to have been caused by irregular or intemperate habits. of opinion that *is fit*

for further service of a less laborious character than that which he has been doing, or may, after resting for *months*, be fit for further service of a less laborious character than that which he has been doing.

Calicut, *14 July*
1891.

13TH MARCH 1882, No. 225, PENSION.

GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—letter from the Acting Collector of Malabar, dated 15th February 1882.

READ—the following Certificate and Report from H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 24th February 1882, No. A.D.J.-479:—

Certified that (subject to the remarks below recorded) qualifying service in inferior grades has been duly proved for twenty-nine years, eleven months, and ten days, and that an invalid gratuity not exceeding Rs. 90, equal to six months' pay, is admissible under Sections 102 and 117 (a) of the Civil Pension Code, 5th Edition. The calculations have been duly verified.

2. Should Government, in consideration of the short period of service that is required to make up the minimum period entitling an inferior servant to pension, be pleased to condone, under Rule I, Section 120, of the Code, a deficiency of twenty days in the applicant's qualifying service, an invalid pension not exceeding Rs. 4 per mensem may be granted to him under Sections 102 and 117 (b) of the Code. It is, however, pointed out that the period following the date of medical certificate cannot in this case be regarded as pensionable service since the applicant was not in effective service but on leave. The grant of leave of absence to an officer who has submitted a medical certificate of incapacity for further service is not authorized (*vide* Rule I, Section 105, of the Code).

3. It should also be brought to notice that the applicant during the concluding part of his service was first granted leave of absence on forfeiture of one-third pay for about five months and this was subsequently extended to a period of two years, three months, and seventeen days on loss of full pay. To take this long period of leave into account as service would seem to be an abuse of the privilege conferred upon inferior servants by the rule that in their case all periods of authorized leave may count for pension.

4. The delay in the submission of this application is explained by the Collector in his remarks opposite to No. 5 on the third page of the application.

5. In accordance with Rule IV under Section 130 the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 13th March 1882, No. 225, Pension.

Under Sections 102 and 117 (b) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Kuttani Rat Krishna Menon, late Shroff, Sea Custom House, Beypore, an invalid pension of Rs. (4) four per mensem, payable at Walawanád from 1st October 1881, in consideration of his qualifying inferior service of twenty-nine years, eleven months, and ten days.

2. A deficiency of twenty days has been condoned to entitle him to a pension under Section 120, Rule I, of the above Code.

3. The Government, however, concur with the Accountant-General in considering that excessive leave was granted to the appellant, and thereby there has been an abuse of the privilege conferred upon inferior servants of all periods of authorized leave being counted for pension. This must be guarded against in future.
