PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from

the Government of India, Department
of Finance and Commerce dated
24th February 1852 No 1204

I am directed to acknowledge the
receipt of your letter No 1732 dated
19th December last, recommending
that the pay of Mr E Stradiot,
Superintendent of the Band of His
Excellency the Governor may be in-
creased from Rupees 170-8- to Rs 250
per annum.

2 The Governor General in Council
does not consider that sufficient
reasons exist for increasing the pay
of Mr Stradiot to the extent pro-
posed. But as he was engaged
on a footing of a conductor and
as the pay attached to that rank
has

has since the commencement of
his engagement been raised to Rs
220 per mensem, while that of
Mr. Shadist has remained
stationary. His Excellency in
Council sanctions the grant to
him of pay at the rate of Rs 220
per mensem. It is to be distinctly
understood that as stated in para-
graph of your letter, the increase now
given will not have the effect of
enhancing the pension to which
Mr. Shadist may be entitled
under the terms of his covenant.
