16TH MARCH 1882, No. 256, PENSION.

GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—the following papers:—

From the Superintendent of Works, Godáviri, dated 18th February 1882.
From the Examiner of Public Works Accounts, dated 21st February 1882,
No. 918-X.

ORDER—dated 16th March 1882, No. 256, Pension.

Application is made for the grant of an invalid pension of Rs. 10 per mensem to Bhahadursha Runganayakulu, late Maistry, Imperial Petty Establishment, Godáviri District, whose total qualifying superior service is stated by the Superintendent of Works, Godáviri, to amount to twenty-six years, eleven months, and twenty-four days (after excluding the periods on leave and temporary service, amounting to three years and twenty-five days). From this period the Examiner of Public Works Accounts has struck out a period of three years, eleven months, and fifteen days on account of service rendered before the age of twenty-two years, leave, &c., which makes applicant's service to amount to twenty-three years and ten days. But it appears from calculations made in this office that the applicant's total qualifying superior service amounts to twenty-six years, four months, and nine days.

2. Applicant's service from 21st February 1877 to 19th January 1880 in the Imperial Petty Establishment has been excluded by the Superintendent of Works and Examiner of Public Works Accounts, but the Government consider that this service should be admitted under the rulings contained in G.Os., dated 22nd February 1861, No. 98, Financial Department, and 17th September 1877, No. 505, the applicant having been a permanent servant when transferred to that establishment.

3. Admitting this service, the applicant's total qualifying service will amount to twenty-six years, four months, and nine days, for which he is entitled to an invalid pension of Rs. (10) ten per mensem, which is accordingly sanctioned with effect from the 20th January 1880, payable at Rajahmundry, and will be debited in the usual proportions to General Revenues and Local Funds.

4. The retention of the applicant in the service for eighteen days after the date of the medical certificate of unfitness has been sanctioned, and the period allowed to count for pension.

5. There has been a very unsatisfactory delay in the submission of this application both by the district authorities and by the Examiner of Public Works Accounts.
