Certified that I have carefully examined Sheik Unimer
son of Sheik Budden
a peon in the Collector's Office Malabar in the
Calicut.

His age is, by his own statement, 55 years, and by appearance, about 55
years. I consider him to
be completely and permanently incapacitated for further service of any kind,

in the Department to which he belongs in
consequence of Elephantiasis

His incapacity does not appear to me to have been caused by irregular or
intemperate habits. I am of opinion that Sheik Budden is fit
for further service of a less laborious character than that which he has been doing,
or may, after resting for months, be fit for further service of a less
~~laborious character than that which he has been doing.~~
