GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—letter from the Collector of Madura dated 4th October 1881.

READ—the following Certificate and Report from H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 11th February 1882, No. A.D.J.-458 :—

It will be seen from the history of service that in 1850 the applicant was transferred from qualifying to non-qualifying service and that after being employed in the latter for a period of upwards of five years he was discharged from the public service and remained in consequence unemployed for about eleven months. It is now difficult to ascertain whether the applicant voluntarily resigned his previous qualifying service or whether he was transferred to non-qualifying service by competent authority. Should Government, however, be pleased to give the applicant the benefit of the doubt and accordingly allow him to count towards pension the service originally rendered in the Madura Jail establishment and to accept the medical certificate dated two months and fifteen days after the applicant resigned his appointment in favor of his son, qualifying service in inferior grades may be stated (subject to service claimed in the affidavit and the testimony of contemporary servants being admitted) to have been proved for twenty-nine years, six months, and nineteen days. If the earlier service in the Madura Jail be rejected as non-qualifying, pensionable service will amount to twenty-four years and eleven days only. In either case the applicant would be entitled to a gratuity of Rs. 36, equal to six months' pay, under Sections 102 and 117 (a) of the Civil Pension Code, Fifth Edition.

2. The delay in the submission of the application is explained by the Collector in his remarks opposite to No. 5 on the third page of the application.

3. In accordance with Rule IV under Section 130 the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 20th March 1882, No. 266, Pension.

Under Sections 102 and 117 (b) of the Civil Pension Code (Fifth Edition), the Right Honorable the Governor in Council is pleased to grant to Veerabadra Pillai, late Peon, Palni Taluk, an invalid pension of Rs. (3) three per mensem, payable at Palni from 12th January 1880, in consideration of his qualifying inferior service of thirty-four years, seven months, and twenty-four days, a break of ten months and twenty-six days in 1855 being condoned.

2. The Accountant-General would reject the applicant's service from 1850 to 5th February 1855, a period of five years, one month, and five days, on the assumption that it was of a temporary nature; but it would appear that the applicant was a

member of the fixed Jail establishment, and that, according to the practice which

been allowed to count for pension.

3. Veraludran on 9th December
1879 reported to the Tahsildar that he
was incapable of further service and
requested that his post might be confirmed
in his son Velu Pillai and that he be
recommended for pension. But the Tahsil-
dar on 23rd Idem only recommended the
appointment of the son without touching
the pension question. In this office how-
ever order was passed for the appoint-
ment

of the son and for submission of pension applications in Mr. Roupell's time.

4. He produced medical certificates of unfitness to the Tahsildar on 26th March 1880 who submitted it to this office with other papers on 16th January 1881. As particulars of his services were not properly furnished, further reference was made to the Tahsildar and he submitted his last reports on 3rd Instant. The verification of the man's services in Madhwa Jail has still to be verified by an affidavit to be taken from Asan Khan wardens in the new Jail now.

5. Papers connected with the two cases accompany as per list. To avoid these late applications unconditional resignations or Certificate of unfitness should be called for and no petitions for resignation

Sir,

Adverting to your letter dated
5th Instant, No. 7, I have the honor to
inquire whether there are any records in the
District or Subordinate Courts showing the
service of the old jail peons and if Palani-

information to decide as to the necessity of
taking affidavits from his contemporary
employees, for if there are such records and
Palaniandy's name is not in them, it will
be unnecessary to do so, and his statement
that he was a jail peon must be unfounded.

24 January 1852 accompanying.

Inferior service from 1858 to 11 January 1860 verified partly from the records of the Collector's Office, Madras, and partly by means of affidavits of the applicant and the testimony of contemporary employees.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

It will be seen from the History of service that in 1850, the applicant was transferred from qualifying to non qualifying service, and that after being employed in the latter for a period of upward of 5 years, he was discharged from the latter service and remained in consequence unemployed for about 14 months. It is now difficult to ascertain whether the applicant voluntarily resigned his previous qualifying service or whether he was transferred to non qualifying service by competent authority. Should Government however be pleased to give the applicant the benefit of the doubt and accordingly allow him to count towards pension the service originally rendered in the Madras Jail established in 1844 and to accept the Medical Certificate dated 2 months and 15 days after the applicant resigned his appointment in favor of his son, qualifying service in Superior Grades may be stated to have been provided for 29 years 6 months and 19 days. If the earlier service in the Madras Jail be regarded as non qualifying service, the service will amount to 24 years and 11 days only. On either case the applicant had been entitled to a gratuity of Rs. 36 equal to 6 months pay under Section 102 and 117 of the Civil Service Code 5th Edition.

The delay in the submission of the application is explained by the Collector in his remarks opposite to No. 5 on the 3rd page of the application.

In accordance with Rule 14 under Section 120 the attention of Government is respectfully called to the above 65 of the Code.
