LETTER from—

THE SECRETARY TO THE GOVERNMENT OF FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

I am directed to forward the following case for the favorable consideration of the Government of India.

2. The services of Syed Mohamed, late District Post Peon, Challapally, are stated to be as follows:—

3. The first two periods of service are verified solely by affidavits, and with regard to the second period of service, which is stated to be Estate service, it is presumed, in the absence of anything to the contrary, that the transfer of the applicant thereto was made by competent authority; and as he was a permanent servant when transferred to that appointment, his service therein may be allowed to count for pension. The services in the Taluk Police establishments, from 1846 to 18th November 1861, have been verified partly by affidavits and partly from records; and the subsequent service is all borne out by records.

4. The first interruption in the applicant's service of seven days, from 19th to 25th November 1861, was apparently owing to his resignation of his post in order to take up a Constable's place in the new Police. On the 14th January 1864 he appears to have been discharged from the Police Force, not for any fault, but as being unfit for further service on account of old age. He could not have been over thirty-seven years of age at that time, that is, if the entry as to date of birth is correct, which is

doubtful, and it does not appear that he was examined by competent medical authority. He was, however, re-employed after an interval of five months and sixteen days, first, in a temporary post in which he served for three years and one month, and then permanently as a Delivery Peon in the District Post, where his service counts eleven years and nineteen days. He was never granted a gratuity.

5. This case is similar in this respect as well as in the delay in the production of the medical certificate to the one disposed of in letter from Government of India, dated 30th April 1870, No. 188. The medical certificate, post-dated to the extent of two months and seven days, has, however, been accepted by this Government under Section 128, Rule 2, of the Civil Pension Code, and the Right Honorable the Governor in Council further considers that the removal of the applicant from service in January 1864 under the circumstances above stated ought not to entail forfeiture of past services, although, under Section 97 of the Code strictly interpreted, such would be the result; I am therefore to recommend that an invalid pension of Rs. 2-8-0 per mensem, with effect from 29th August 1878, may be granted to Syed Mohamed, the breaks in his service being condoned, in consideration of his qualifying inferior service of thirty-two years, ten months, and twenty-seven days, in lieu of a mere gratuity of Rs. 20, or four months' pay.

I have the honor to be,
Sir,
Your most obedient servant,

FORT ST. GEORGE,
20th March 1882.

Secretary to Government.

Exd. T. O'Connor.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Acting Superintendent of Post Offices, Kistna Division, dated 21st April 1881.
From the Accountant-General, dated 11th February 1882, No. A.D.J-449.

ORDER—dated 20th March 1882, No. 267, Pension.

Under Sections 102 and 117 (a) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Syed Mohamed, late District Post Peon, Challapally, an invalid gratuity of Rs. (20) twenty, equal to four months' pay, payable at Masulipatam, in consideration of his qualifying inferior service of eleven years and nineteen days.

2. The excessive delay in the submission of this application by the Postal authorities, as well as the incomplete manner in which the application was ultimately submitted after so much previous delay, are most blameworthy.

Acting Under Secy. to Govt.

* Period of suspension

3 The first two periods of service
are verified solely by affidavits
and with regard to the second
period of service, which is
stated to be estate service, it is
presumed in the absence of any
thing to the contrary that the
transfer of the applicant

there to was made by competent
authority; and as he was a per-
manent servant when trans-
ferred to that appointment

his service therein may be
allowed to count for pension.

The services in the Gallego Police
Establishments from 1846 to 1861

November 1861 have been
verified partly by affidavits
and partly from records; and
the subsequent service is all

come out by records.

4 The first interruption
in the applicant's service of 7
days from 19th to 25th November
1861 was apparently owing to his
resignation of his post in order
to take up a Constable's place
in the New Police. On the 14th
January, 1864 he appears to
have been discharged from
the Police Force, not for any
fault, but as being unfit for
further service on account of old age.

He could not have been over 37
(that is, if the entry as to date of birth is correct, which is doubtful)
years of age at that time, and
it does not appear that he was
examined by competent
medical authority. He was
however re-employed after an
interval of 5 months and 16 days,
first, in a temporary post, in
which he served for 3 years and

one month, and then permanently
as a Delivery Peon in the District
Post where his Service counts 11
years, and 19 days - He was never
granted a gratuity -

5. This case is similar in
this respect, as well as in the
delay in the production of the medi-
cal certificate to the one disposed of
in letter from Government of
India, dated 30 April 1870 No.
188. The Medical Certificate pro-
duced to the extent of 2 months
and 7 days has however been
accepted by this Government
under Section 128 Rule 2 of the
Civil Pension Code, and the
Right Honorable the Governor
in Council further considers
that the removal of the applicant
from service under the circum-
stances above stated, ought not

112
to entail forfeiture of past services -
although under Section 97 of the
Code strictly interpreted, such
would be the result I am therefore
to recommend that an Invalid
pension of Rs 2-8- per annum
with effect from 29 August 1878
may be granted to Syedollahunnah,
the break in his service being condoned,
in consideration of his qualifying
inferior Service of 32 years 10 months
and 27 days - in lieu of a mere
gratuity of ^{Rs 20 or} 4 months pay ~~Rs 12-8-0~~
