## CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

It is certified that service rendered in the appointment of Anatomical Attendant has been duly proved for 26 years, 11 months and 11 days. The nature of the duties of the appointment does not seem to render a change of grade of pension or waiting necessary. The Principal of the Madras Medical College under whom the applicant was employed states that the duties of the appointment are similar to those of a Taxidermist in the Indian Museum the service rendered in which appointment is regarded as Superior under rule 1, section 90 of the Civil Pension Code. There appears however to be no precedent for admitting the applicant's service in the appointment of Anatomical attendant towards pension on the superior scale and the case therefore seems to need a special reference to the Government of India agreeably to the provisions of section 91(1) of the Code. It should be finally decided that the service is Superior the applicant may be granted a superannuation pension not exceeding Rs. 8-8-0 per annum equal to 72 charge emoluments under sections 106, 109(1) and 111 of the Civil Pension Code 5th Edition. Otherwise the qualifying service in inferior grades will be proved for 37 years, 11 months and 8 days, entitling the applicant to an awarded pension of Rs. 10-0-0 per annum under section 103 and 117(1) of the Code. In accordance with Rule 6 under section 136, the attention of Government is respectfully referred to section 65 of the Code.

For and to the effect of the above certificate, the Accountant-General has signed the following certificate.
