Enclosure to the application for gratuity on behalf of R. N. Frank, 2nd Vernacular Clerk Malabar Collectors Office. -

5. Any other remarks. The applicant took 3 months' Privilege leave from 20 June to 19 September 1879 and before the expiration of the leave viz: on 5th September 1879 he was declared insane and sent to the Lunatic Asylum, Madras whence he was discharged after recovery only on the 27th January 1881 as will be seen from the enclosed copy of the certificate granted by the Superintendent of the Asylum. In the meantime the Applicant's place was filled up, as it was not deemed advisable to reinstate him since it was the second time that he had an attack of Chronic Mania. After his removal from the Police Department on the 5th February 1876 on a similar ground he memorialised Government regarding his re-employment in the Service and the Government were pleased in their order dated 30th November 1875 No. 2397, Petition Department, to sanction his re-employment in any other branch of the Public Service, and he re-entered the Service on 1st April 1876 as 2nd Clerk, Deputy Collectors Office. Hence his previous service is calculated to count towards the Gratuity applied for.

On 29th May last the Applicant requested that he may be either reinstated or a gratuity granted him. There was some delay in the disposal of his application and verification of his service.

This Service Book is herewith forwarded.

Proceedings of the Madras Government Judicial Department
16th September 1876

Police
N: 118.
Read the following letter from Lieutenant-Colonel G. S. Mason, Inspector General of Police, to the Honorable D. F. Carmichael, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 11th August 1876.

With reference to the enclosed petition forwarded by the Assistant Secretary to Government for inquiry, I have the honor to state that it is in my office that Constable, in the (Bilgari, P.) who is quite crazy. I saw him at the very time during a lucid interval, but since then his behavior has gone wrong again and he has been mistaken in writing and to require a signature to the enclosed. I have directed that he shall be placed before a (Medical Investigating) Committee but the result is still doubtful as soon there is a slight improvement in his condition when produced for examination. I wish to represent a difficulty which occurred in this matter. I need not state to you of having certainly ought not to be in the Police Department and yet it is not easy to get rid of them. The other quarter Inspector of Cuddalore, a very clever young man who had displayed great ability

in my office, where he was persecuted, went crazy
last year. I know this from his extraordinary conduct,
from his letters, from his denunciations and conversation,
and from his flying all over the country while on
privilege leave calling on the members of Government,
British Residents, Chief Commissioners and Judges,
behaving himself in an extravagant manner
as if before a Medical Officer who granted
leave, but said not a word about his
mental ailment, nor has any medical practitioner
who has since treated him made any allusion to
him. I am keeping a watch for him in
office, where, if he suddenly goes mad, it will
be a disaster. But such cases are obviously
incurable. Police officers, and yet I doubt if a
witness will prosecute him. I have called
for an Committee and also hope that the matter is
going to be investigated. I have not heard of the
case of the other case however which I wish to
report. In coming to notice is that the first fourth
order suspect Mr. A. The history of the Malabar
District, however, is entirely crazy, at Cochin, at the
bridge of the Malabar. He is a violent and hasty
and little calling upon the Superintendent and
Police to arrest the Police against anticipated
attacks by the Malabar. He was sent for to
Cochin where he became a dangerous lunatic,
attacking

76
attacking his brother and other members of
family. He was put before a Medical Officer
who gave him six months leave to proceed
Madras for treatment in the Lunatic Asylum.
He received letters from his wife in the Asylum
(how forwarded I know not) the style of which
showed that he was still insane. The other of
him, to my surprise that he had returned
his duty as a Police Inspector in Malabar
brought with him a short Certificate from
Superintendent of the Asylum to the effect that
was discharged as cured. A copy of this Certificate
is appended to this letter. If he should be put
before an Investigating Committee the decision
will be that there is nothing to be done with
him. This would be true at present, but I imagine
it is a mere question of time when he will break
out again. I enclose a statement of his case and
request the instructions of Government as to its
disposal. It appears to me dangerous that
a man should remain in the Executive Police
force, as, in the event of his again becoming
insane, he might do great mischief before he could
be restrained.
Order thereon, 16 September 1875 N. 225
In the foregoing letter, the Inspector General
of Police asks what is to be done with men in the
Executive Police force who are insane.

Some who are subject to fits of insanity, but may not, when examined by a Medical Officer, pronounced insane, or who after being a short in a Lunatic Asylum are sent out as cured.

Under which he cannot well interfere with Police duties.

The Commission in Council is of opinion that in case of men who, from short service, are not held to pursue or gratify, the proper course is to the Inspector General to exercise his own discretion and direct them as unfit for service in the Police, and the reasons for doing so.

In cases where men are entitled, by the Police, to pursue or gratify, the Inspector General should suspect them, pending their being brought before a Medical Officer. If the Medical Officer reports to insanity, the Inspector General should report the cases to Government with his recommendation for the removal of the men from the Police. The Government will then pass orders allowing the men to receive the pension to which they may be eligible under the provisions of the Act.

The Inspector General will adopt the course now prescribed in the case of the petitioner G. Karanaga. Now, and also in that of 4 class Inspector P. W. Frank, who should have been sent to the Police.

FORM A

I, the undersigned William Howland Roberts M.D. Surg. Major Civil Surg. Malabar, hereby certify that I, on the 8th day of Septbr/79 at Calicut, personally examined Robert William Frank, and that the said Robert William Frank is a Lunatic, and a proper person to be taken charge of, and detained under care and treatment, and that I have formed this opinion on the following grounds, namely,

1. Facts indicating insanity observed by myself.
sings and shouts incontinently - Restless ideas exalted. talk bombastic. behaviour generally that of one insane. Somewhat dirty, and sleepless.

2. Other facts indicating insanity communicated to me by others.
Has behaved like a mad man for the past two months. very violent in manner; abusive, using the filthiest, and obscene language possible, suspicious and jealous of every body. especially his wife. Has assaulted several people with weapons of any sort he can lay hands on. Forgetful. Has fits of devotional emotion, and conducts himself grotesquely.

From *H. J. Blogston Esq.*
OFF ACCOUNTANT GENERAL

TO THE GOVERNMENT OF MADRAS,

To
THE *Collector of*
Malabar.

SIR,
With reference to your letter
No. 18 dated the 7th January 1882, fur-
nishing explanation on certain points
in connection with the application
for gratuity on behalf of M. W. Frank,
late 2nd Vernacular Clerk, Malabar
Collectors Office, I have the honor
to invite your attention to Section 102
of the Civil Pension Code, from
which you will observe that an
Invalid pension or gratuity may be
granted to an officer, only if his body
or mental infirmity is such as
permanently to incapacitate him
for the Public Service. The Medical
Certificate submitted does not state
this regarding the applicant, and
is therefore insufficient to entitle
him to gratuity under the Code.

Let 192

I request therefore that you will be good enough to take steps to obtain and forward a Medical Certificate of the kind prescribed in Section 104 of the Code.

2. The post of 2nd English Accountant which the applicant held from 23rd March 1867 to 28 February 1869 not having been fully vacant, as the permanent incumbent retained, been and counted service for pension in it during his employment in the Police Department. Mr. Frank, though holding the appointment substantive pro tem could not claim to count service in it.

Deducting therefore this period of service, the total period of qualifying service claimed should be reduced to a little more than 9 years, entitling the applicant to a gratuity equal to 9 instead of 11 months pay as recommended by you.

3. A certificate as to the normal prospects of life of the applicant is necessary, since the gratuity proposed yields on commutation a pension of more than 2 Rupees a month. I beg therefore that this may be obtained and forwarded to this office at an early date.

I have the honor to be, Sir,

Your obedient servant

From G. M. Watters Esquire,
By Collector of Malabar,
To The Accountant General,
Fort St. George.

Sir, With reference to your letter No. A.D.L. of the 18th instant, I have the honor to explain that Mr. Frank was discharged from the service on being sent to the Lunatic Asylum, Madras, it being the second occasion on which he became insane and it being impossible afterwards to trust him.

2. With regard to the medical certificate called for in the letter under reference, I beg to observe that on a former occasion, when Mr. Frank was recommended for gratuity by the Police Department, the nonproduction of a similar certificate was not objected to in the submission of his claim to Government as will be seen by your Certificate and Report No. 146 dated 30th May 1876 embodied in G. O. dated 28th July 1876 No. 460. I do not see any difference in the present case. Mr. Frank is temporarily well again and is

is in other employment under a firm
and it is therefore not possible now
to obtain the required certificate. The
applicant's service as acting 2^d English
Accountant counts towards pension
as the permanent incumbent (since
dead) was counting his service in the
Escheat Department (vide also the
letters embodied in the G. O. quoted above)

3. The Certificate as to the normal
prospects of life of the applicant
will be forwarded to you if you think
it necessary under the foregoing
circumstances.

4. If you, on a reconsideration
of the peculiar circumstances of the
applicant, conclude that his claim
cannot be admitted under the medical
Certificate already forwarded, the
application for gratuity may be considered
cancelled.
