With reference to your letter No. 3851 dated the 19th January 1882, I have the honor to state that the service of J. Atehiak Naidu, late Head Writer and account-ant Ganjam District, for the period from 16th September 1853 to April 1858, has been verified from the Annual Returns on record in this office, and the result of the verification is shown in the margin. Atehiak Naidu appears to have held permanent appointments, the service rendered in which counted towards pension and gratuity.

No leave or detailed audit Registers were maintained in this office for any period prior to 1859; and I am therefore unable to say whether or not Atehiak Naidu obtained leave of absence of any description and what interruptions there were in the continuity of his service during the period stated above.

Before concluding I would beg to bring to your notice the great help which the late Manager of the West Office Atchut Naidoo has rendered me in bringing up the arrears and closing the accounts of the Factory. The journals, Monthly Balance Sheets and Ledgers were all brought up in his own handwriting, & great credit is due to him for the neatness and correctness with which this has been done. In consideration of his services so willingly rendered at a time when his mind must have been depressed by such a severe reverse of fortune as the loss of his appointment, I beg most respectfully to recommend that a sum of Rs 200 be presented to him from the funds of the Workshop, &c.
