1
Certified that I Surgeon Major
Henry Gray Archdall and Surgeon
Bellary have carefully examined Hospett
Davalthan son of Hospett Land Khan
peon in Taluk Kutchery Hospett.

His age is according to his own
statement 58 and by appearance about
65 years

I consider Hospett Davalthan
to be completely and permanently
incapacitated from further service of any
kind in the Department to which he belongs
in consequence of his being old and worn out.
He suffers from general debility, is very feeble
and muscular system atrophied.

His incapacity does not appear to me
to have been caused by irregular or intem-
perate habits but is due to old age.

Bellary
