15TH APRIL 1882, No. 322, PENSION.

GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—letter from the District Judge, Tinnevely, dated 5th July 1881, No. 560.

READ—the following certificate and report from H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 29th November 1881, No. A.D.J.-355:—

Certified that, should Government be pleased to accept the portion of service not verifiable from office records, but proved by an affidavit furnished by the applicant, qualifying service in superior and inferior grades may, subject to the remarks below recorded, be said to have been proved for thirty-four years, two months, and twenty-two days, but that, under the strict letter of the rules of the Civil Pension Code, no retiring allowance would seem to be admissible as the incapacity of the applicant, whose age at the time of retirement was only fifty-nine years, was not supported by a medical certificate as required by Section 103 of the Code, and as his removal was due to a "deficit in the receipt of process fees" (*vide* District Judge's reply to this Office No. A.D.K.-91, dated the 28th July 1881, accompanying).

2. In consideration of the long service extending over thirty-four years and of the applicant's age, which is now above sixty-two years, should Government, however, be pleased to overlook the omission to procure medical certificate at the time when the claim for pension was under consideration by the district authorities and to regard the cause of dismissal as one of a kind not entailing forfeiture of past services, and also to treat the interruptions in service from 25th March 1869 to 28th February 1872 and from 25th August 1872 to 15th August 1873, during which the applicant was employed as Receiver in Visvanadhapi and Thirukurungudy Choultry and as Batta Amin in the Tinnevely District Munsif's Court, respectively, as interruptions condonable under the provisions of Exemption (e), Section 96, of the Code, the applicant may be granted an invalid pension not exceeding Rs. 4 per mensem under Sections 103 and 117 (b) of the Civil Pension Code, 5th Edition.

3. The delay in the submission of the application is explained by the District Judge in his remarks on the third page of the application.

4. In accordance with Rule 4 under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

Reference on the above, dated 14th January 1882, No. 7:—

With reference to his report, No. A.D.J.-355, dated 29th November 1881, the Accountant-General is requested to consider if T. Ebrahim Khan may not be given a compensation pension considering he was reduced owing to a want of funds and the amount of his pay was apparently saving to Government. If, however, a compensation pension is not admissible, then it should be inquired from the District Judge whether the man, who was about fifty-nine years of age and in superior service when

he retired, was still efficient at that time. If not, the District Judge can give a certificate under Section 106, Rule 4, which would entitle the applicant to an invalid pension for his combined inferior and superior service.

READ—the following report from H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 23rd March 1882, No. J.A.E.-574 :—

With reference to your Official Memorandum, No. 7, dated the 14th January 1882, calling for certain information regarding the application for pension on behalf of Ebrahim Khan, I have the honor to forward herewith copy of this office reference to the District Judge, Tinnevely, No. J.A.E.-278, dated the 25th idem, and his reply in original, from the latter of which it will be seen that, although Ebrahim Khan's removal is stated to have been due to a "deficit in the receipt of process fees," yet there appears to have been a real saving to Government.

2. From paragraph 9 of the letter from the District Munsif of Tinnevely, which forms an enclosure to the District Judge's reply referred to above, it is apparent that the applicant was considered to be inefficient at the time he was removed from the service. He might, therefore, be granted an invalid pension even in the absence of a medical certificate of incapacity for further service, notwithstanding that the applicant's age at the time of removal was less than sixty years (*vide* note printed in small type under Rule 1, Section 106, of the Civil Pension Code, 5th Edition).

3. The enclosures to your wrapper memorandum, No. 11, dated the 26th January 1882, are herewith returned.

ORDER—dated 15th April 1882, No. 322, Pension. ✓

Under Sections 103 and 117 (b) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Tinnevely Ebrahim Khan Saib, late Amin in the Tinnevely District Munsif's Court, an invalid pension of Rs. (4) four per mensem, payable at Tinnevely from 1st April 1878, in consideration of his qualifying inferior and superior service of thirty-four years, two months, and twenty-two days.

District Court to appoint a Receiver to defray the expenses of the said Cowil which formed the subject matter of the suit pending disposal of the Appeal. One Pattabhiramier was appointed as Receiver & in his stead the pension Applicant was deputed (Vide Summad Encloure No 8)

The Applicant was in charge of the property of the Cowil including Cash & Receipt accounts thereof. He was paid Rs 20 per mensem from the Cowil fund.

As to the nature & formation of the appointment as Receiver of Vivanaadkaferi Choultry. There was a suit No 21 of 1870 on the file of the District Court instituted against the Zemindar of Shwagheri for his removal from the management of the said Choultry of the villages attached thereto. By Application No 36 of 1871 dated the 9th January 1871, Plaintiff applied for appointment of a Receiver pending disposal of the suit or the appointment of proper agent for the Institution. Upon the said Application Pension Applicant who just then ceased to be Receiver of Sivakurumjudy was appointed Receiver of the said Chulthrum (the subject matter of suit No 21 of 1870) by a Summad dated the 18th February 1871, whereby the Receiver was authorized to collect the income of 3 villages attached to the Chulthrum, to conduct the Charity in the Chulthrum, to keep proper account and to submit account to the District Court. The Receiver has further been ^{empowered} to sue when necessity arises, for recovery of the lands attached to the Chulthrum.

23
The Receiver was allowed a pay of Rs 20 per mensem and a peon on ^{a salary of} Rs 8 per mensem both were paid out of Chulthrum fund. ~~(The Receiver)~~ when he ceased to be Receiver of Vivanaadkaferi Choultry reverted to his former appointment of Deputy Messenger in the Government Establishment. Although the appointment of Receiver was not Government employ, service rendered on an establishment under Government control (Vide Orders of Madras Government dated 26th November 1879 No 2978). Pension Applicant's case thus falls under Section 96 Clause 2, Pension Code 5. Edition & the interruption in the service do not therefore entail forfeiture of his past service.

11 The Applicant was removed from office because there was deficit in the Receipt of Process fees. (Vide Order of the District Court Encloure No 13.) The removal was only temporary.

13 Applicant applied for pension on the 17th May 1878 immediately after his removal in March 1878. The application was submitted to the District Court along with Aji No 41 dated the 24th March 1879.

24 Copies of Correspondence to prove that the applicant's claim for pension was under consideration from the date of removal from service are herewith sent.
