Certificate and Report of Examiner of Public Works Accounts, Madras.

Certified that, should Government be pleased to treat the applicant's services from 1st August 1859 to 31st March 1865 as qualifying on the strength of the applicant's affidavit, the statements of his contemporary servants, and the specific report and opinion of the Head of Office that the service claimed should be admitted, qualifying service in superior grades would amount to (18) eighteen years and (8) eight months, and that a compensation pension not exceeding Rs. (5) five per mensem will be admissible under Section 109 (b) of the Civil Pension Code.

2. Should it be decided by Government, with the approval of the Government of India, that the applicant's services from 1st April 1878 to 31st May 1880 is to be classed as "superior," qualifying service in superior grades will then amount to (20) twenty years and (10) ten months, and a compensation pension not exceeding Rs. (5) five, Annas (11) eleven, and Pies (6) six per mensem, equal to one-third of his average emoluments at Rs. (17) seventeen, Annas (2) two, and Pies (8) eight per mensem, will be admissible under Section 109 (b) of the Civil Pension Code.

The amount of saving accrued to Government by the applicant's retirement has not been noted on the fifth page of the application; but as the services of all the members of the Petty Establishment were dispensed with on reduction of establishment, the full pay Rs. (20) twenty of the applicant has been saved to Government. No other suitable employment was found for him for reasons given in paragraph 2 of letter, No. 809, dated 30th July 1881, from the Superintendent of Works, Kistna, to the Examiner, Public Works Accounts, Madras.

The calculations have been duly verified. The compensation pension, if sanctioned, is chargeable to General Revenues.

Note. There is a suggestion that
his last 2 years service on Rs 20
as a Petty Establishment Maistry
might be recommended to the Govt.
of India as "superior" so that
his average emoluments would be
higher - & give him a pension of
11 annas & 6 pice more - but
it is submitted that there is
no ground to apply to the Govt.
of India, as by Section 89, Maistry
in the P.W.D. are distinctly
classed as "inferior". Besides the
addition that it would make to
his pension is not much.
