SIR,

With reference to your application for pension on behalf of M. CERTIFIED

I do hereby certify that Madanapalli Narasinga Row late 2nd Vernacular Accountant in the Collectors Office Kurnool was unfit for further service owing to age and infirmity. The services of the applicant from the 20 August 1849 having been Continuous, the period of service (in which there were breaks) rendered by him from 6 that date has been included from calculation ... Upon the Leave Statement for March 1864 it appears that the applicant was granted 20 days private leave from 15 March, and a deduction of Rs 5-7-10 being money pay for 17 days up to the end of that month was made for payment to his substitute. The preceding date cannot be ascertained from the subsequent months Leave Statement. But from the Pay Abstract for April 1864 the applicant appears to have drawn full pay (viz Rs 20-0-0) of his appointment as 1st Class Revd. Inspector Cumbum Taluq. It is therefore to be presumed that he joined the appointment before the expiration of his leave. Hence the entry of his leave on Private Affairs up to 31 March only.

In respect of the Grant of Sick leave in August/81 the Collector admits that it was due to an oversight. Under these circumstances it rests with Government to decide whether the Collectors recommendation should be accepted, and whether the overpayment of leave allowances should now be recovered from the applicant or not.
