Re 67 the name of one Salem Peon appears in the Establishment of 1867 & 68 but not in that of 1869 & 70 nor in the Establishment of 1880 the date of appointment is not known.

date on which he got the appointment in that Department is not known. But however from the certificate granted by Mr. Puckle it appears that his services in that Department began about the 9th April 1861 or 20 days after his removal from the post of peon of Ivankal Talug and 22 days previous to the issue of the order of removal. It is requested that Government sanction may be obtained to condone the above break under Section 98 of the Pension Code considering the Applicant's long service and the trivial nature of the offence. The applicant resigned his appointment in the Settlement Deptt in 1866 but as he secured one in the Revenue Department within a year, his former service counts for pension under Rule 3. Section 97 of the Civil Pension Code 5th Edition.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Good.

2. Explanation of any suspension or degradation.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it.

5. Any other remarks. The character, conduct and past services of the applicant are such as to entitle him to the favourable consideration of Government. Certified that the applicant is inefficient owing to his advanced age and short sight.

6. Specific opinion of Head of Office whether the service claimed is established and should be admitted or not (see Rule 6 under Section 84.) The services claimed have been established and should be admitted.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in {inferior / ~~superior~~} grades has been duly proved for 12 years 1 months and 12 days; and that an Invalid {pension / gratuity} not exceeding Rs. 24 0 0 per equal to 4 months pay, is admissible under Section s 103 and 117 (a) 5th Edition of the Civil Pension Code.

The calculations have been duly verified.

The delay in the submission of this application is explained by the Collector in his reply to this Office Objection Memo No. A&K dated 4th November 81

In accordance with Rule 164 under Section 130, the attention of Government is respectfully solicited to Section 68 of the Code.

The Collector in his letter No. 2761 dated 26th October 1881 first recommended that the applicant should be granted a pension considering that the period of non employment intervening between the date of resignation of his appointment in the Revenue settlement Department and that of his re-entertainment in the Revenue Department was less than one year and therefore condonable under rule 3 Section 97 of the Civil Pension Code. But in his reply to this Office objection memo quoted above, the Collector states that the applicant was reinstated in the Revenue Department on the 19 March 1868 and not on the 14th June 1866 as entered in the application. The break in question consequently exceeds one year and the applicant therefore cannot count his former service. Under these circumstances this office has recommended the grant to the applicant of a gratuity equal to 4 months pay which is the utmost he would be entitled to for his subsequent service.
