LETTER—from

THE ACTING SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

I am directed to forward, for the favorable consideration of the Government of India, the accompanying papers connected with the pension application of Mr. George William Michael Taylor, late Head Accountant, Army Clothing Department.

2. Mr. Taylor entered the service of Government as a clerk in the office of the late Military Board on the 1st September 1856. About December 1856, a special officer was deputed to proceed to Burmah to take over the Ordnance Stores from the Bengal Ordnance Department and Mr. Taylor was nominated to accompany that officer, which he did, providing a substitute for himself in the Board's Office. On the 30th April 1857, the Military Board Office merged in the office of the Inspector-General of Ordnance and Magazines, on which date Mr. Taylor was in Burmah, and the Secretary, Captain Hope, spoke of him as an *employé* then on the establishment. On the 25th July 1857, Mr. Taylor returned to Madras with the view of resuming his duties, but was told that his substitute, Mr. Newbigging, was confirmed in the appointment, and was promised to be taken back on the first vacancy occurring. Accordingly on an appointment of Rs. 50 subsequently becoming vacant it was offered to, and accepted by, Mr. Taylor on the 1st January 1858. He continued to serve in the Ordnance Office till the 2nd May 1862. On the 3rd May 1862 he was taken into the Grand Arsenal Office and served there up to the 18th October 1876. On the 19th October 1876 he was transferred to the Army Clothing Department and served there up to 31st March 1882.

3. The applicant's net period of service, deducting the time he was out of employ, and a short period of suspension, amounts to twenty-five years and thirteen days. This includes the period of ten months and eighteen days up to the 18th July

Pension G.O., 18th February 1882, No. 167. 1857, which the Government have allowed in the circumstances of the case to count as qualifying for pension. For this service the applicant in the ordinary course would be entitled to half-pay pension or Rs. 75 per mensem, but the break in his service from 19th July to 31st December 1857 which is one the Madras Government under Section 98 (a) of the Civil Pension Code cannot condone, prevents him from reckoning the service prior to 19th July 1857 which this Government has recognised. He has accordingly been granted a pension of only Rs. 50 per mensem, equal to one-third his salary for his service of twenty-four years, one month, and twenty-five days, subsequent to 31st December 1857. The Right Honorable the Governor in Council, however, considers that Mr. Taylor's case is one that merits the favorable consideration of the Government of India, as the break in his service was owing not to any fault on his part, but to circumstances over which he had no control, and I am

therefore to recommend that the Government of India will be pleased to condone the above-mentioned break in view to the applicant being granted a half-pay pension or Rs. 75 per mensem.

I have the honor to be,
Sir,
Your most obedient servant,

OOTACAMUND,
