Sir,

With reference to G.O. (Pension
Department) No 801 dated 3 August/80
sanctioning a compensation gratuity
of Rs 135 to M. Alagirisamy Naidu
late a Taluk overseer's writer in the
Trichinopoly Dn, I have the honor to
inform you that Alagiriswami
was reemployed as overseer's writer, a
post that was then of a temporary nature
from the 14 May 1880, and consequently
did not then express his intention of
refunding the gratuity. But the
appointment of overseer's writers was
made permanent, under G.O. No 15934
dated 24 June 1881, and as soon as

Alagirisamy haidu knew this he requested permission to refund the gratuity above referred to and to count his former service. The Executive Engineer's Endorsement no 1718 of the 3rd Ultimo on the application of Alagirisamy haidu, recommending that the refund of the gratuity should be accepted is herewith forwarded for your information and return.

2. Under the circumstances I request you will be good enough to inform me whether the wish of the writer can be granted. If so please return his service Book forwarded with this office letter no 1153 T.C of the 31st March /80.

I have the honor to be
Sir

Your most obedient servant.

Respected Sir,

I most respectfully beg to bring
the following few lines to your favorable
consideration and request that you will
be pleased to support my case with
your recommendation to the Executive
Engineers for orders.

My service as Overseer clerk in the
D. P. W. up to 14th November/79 is 9 years 9 months
and 13 days and owing to the late general
reductions in the Department in 1879,
my services were then dispensed with and
I was allowed with a gratuity of \$
135 - vide G. O. N. 801 dated 3rd August/80
Pension Department

Again in the beginning of the
year 1880 I was appointed as a clerk

16 May 1880

to 1880

on temporary measures and as such my
service still continues and until the
receipt of your order No. 1186 dated 6th
September last directing me to send annas
for the value of a new service book
to be opened for my service, I was
under the impression that my service
was but temporary and I did not know
the order to the effect that the services
of Overseer Clerks are to be calculated
permanent as they are from April 1808 and
in the event of gratuity received by
them for their past services being returned
they may regain their services which will
entitle them for pension under the rules.

As I have a desire to take
my past long service into calculation
I beg that you will be pleased to
recommend on my behalf as a
special case for its resumption.
If in the event of my request being
complied with I shall be prepared
to repay the gratuity I have drawn
within 2 years in 20 instalments as

I am a poor man of a big family I
cannot promise to pay the amount
earlier -

I beg to remain
