GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—letter from the Superintendent, Madras Survey, dated 6th April 1882, No. 37-A.

READ—the following certificate and report from the Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 28th April 1882, No. A.D.J.—21:—

Certified that qualifying service in superior grades has been duly proved for ten years, eleven months, and seven days, and that an invalid gratuity not exceeding Rs. 1,000, equal to ten months' pay, will be admissible under Sections 102 and 109 (a) of the Civil Pension Code (the calculations have been duly verified) subject to the following remarks.

2. From the certificate granted by the Civil Surgeon, Coimbatore, it is apparent that the applicant has not the normal prospects of life in consequence of leprosy. He is therefore, under Section 99, Rule III, entitled to a pension only instead of a gratuity, and the pension calculated in accordance with the scale given in Table A, Appendix E, of the Code is Rs. 6-14-9 a-month, which therefore is all that may be sanctioned to the applicant under the provisions of the Code. Should Government, however, be pleased to accept the strong recommendation of the Superintendent, Revenue Survey, and to grant to the applicant a gratuity in lieu of a pension, overruling the authority quoted above, it is respectfully requested that that grant may be reported to the Government of India in the Financial Department for previous confirmation.

3. In accordance with Rule IV, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 19th May 1882, No. 461, Pension.

Under Sections 99, Rule III, 102 and 109 (a) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Mr. Isaac James Janes, late Head Surveyor, No. 1 Party, Madras Survey, an invalid pension of Rs. (6-14-9) six, Annas fourteen, and Pies nine per mensem, payable at Coimbatore from 25th January 1882.

to the normal prospects of his life, I have

parts of this Presidency. He has done first-rate work and has borne an excellent character and I quite agree with the Deputy Superintendent in thinking that "this is a case in which the strict operation of the rule would cause serious hardship."

I am moreover of opinion that the good service done by Mr. James during 17 years of his life deserves some consideration at the hands of the Government.

3. His Service Book is herewith sent together with a verified statement of his services and the Medical Certificate furnished by him.

I have the honor to be

Letter for orders

This is a poor gentleman for a man who has been drawing Rs 100 a month, & is now invalided at the early age of 34 on acct. of leprosy, but it is all that is admissible, as the Acct. General's Report shows. While it is submitted that a recommendation to India to allow the Rs 1000 gratuity might be made it is brought to notice that in a very similar case (in the precedent put up) the Govt. of India refused to accept the recommendation of Rs. 500 dated 17/3/81 & confirmed that report after a special further reference in the matter on the man's appeal.
