EXAMINER, P. & A. ACCOUNTS.

Extracts paras 1 and 2 of letter from the
Superintending Engineer 1st Circle to the
Examiner P. & A. Accounts No. 111 V.L. dated 7 Jan'y/82

With reference to your letter No 485 S.E. 1st
dated 30th August 1881, stating that the services
of M. Chendriah prior to 1st March 1876 were
classed as non-qualifying. I have the honor to
inform you that from the records of the
Vizagapatam Division it appears that
M. Chendriah was permanently appointed
as Acting 2nd Gumastah on the 1st October 1874
in a permanent vacancy the permanent incum-
bent having been permanently transferred
to the Coarsur's Establishment. M. Chendriah
held the above appointment till 1st March/76
when he was promoted to Acting 1st Gumastah
but he was not confirmed in both the
appointments, simply because he has not
passed the M.C.S. Examination.

2. Under the above circumstances Chendriah's
services from 1st October 1874 to 29th February 1876
will have to be treated as qualifying making
up the total service to 3-4-12 as shown below.

At 8

instead of 3-8-12 for which a gratuity of Rs 45 has
already been sanctioned by Government.

From 1st October 1874 to 29th February 1876 - 4.11.2

" 1st March 1876 to 4th March 1880 - 3-8-12

Total Service 5-1-12

Copy of letter from the Examiners Public Works
Accounts Madras to the Superintending Engineer
Pt Circle No 833 SE Pt dated 26th January 1882.

With reference to your letter No III VZ dated the
7th January 1882, I have the honor to request
the favor of being furnished with copies of the documents
with reference to which the appointment held by
Mr. Chendrial from 1st October 1874 to 29th February
1876, is said to have been permanently vacant.
It is not clear why he was not confirmed in the
appointment in consequence of his not having
passed the U. C. S. Examination. The pay of the
appointment was only Rs 12/- per mensem, and
therefore no examination was apparently required
to be passed. Further explanation on this point
is requested.

Copy of letter from the Superintending
Engineers First Circle to the Examiner Public Works
Accounts Madras N^o 27 V. 2. dated 11 April 1882

With reference to your letter
N^o 833 S.C. 1st dated 26th January 1882, I have
the honor to inform you that there are no other
documents either in this or in the Vizagapa-
tam Division Office to show that the ap-
pointment held by Mr. Chendriah from
1st October 1874 to 29 February 1876 was permanent
- by vacant, except the pay abstract entry
books (now existing in the Vizagapatam
Division Office) of the late District Engineers
office wherein full pay was drawn for
Mr. Chendriah during the above period.
These books, it is believed are sufficient
documents to prove the matter.

2 With regard to the explanation
asked for by you as to why the above named
individual was not confirmed in his ap-
pointment, I have the honor to state that
I understand from the Mad Clerk C.
Yardarow of late Vizagapatam District Engineers
office that although it was not necessary
that Mr. Chendriah should pass the W.C.S.
Examination the pay of the appointment
being only Rs 12, the late District Engineers
Vizagapatam did not confirm the man in
his

his post, on the ground that M. C. Hendriah
was not a passed candidate

Referring to your letter No 91232
1st dated the 11th March 1882, I have the honor to inform
you that there is nothing in this office to show why
Mr. C. Hendriah, the permanent incumbent of
the appointment in which Somanna was acting,
was not confirmed in the post in which
he was acting and I am not therefore in
a position to give you any explanation on
the subject.

2 I enclose for your information

With reference to your endorse-
ment No 157 v. 2. dated 31st January 1882, I have

to 24th February 1876 has been permanently
vacant except the Pay abstract entry books where-
in full pay was drawn for him and it is
not now known why the individual was
not confirmed in the vacant appointments
and G. Vardarao Saider the Head Clerk
of your Office will probably be in a position
to explain why Chendriah was not confirm-
ed in the appointment
