Sir,

With reference to para 2
of the Proceedings of Govern-
ment dated the 19th April
1882, N^o 354, Pension Dep^t,
I have the honor to state
that Bekal Shaik Hamud
the Person therein alluded to
was constantly suffering
from ill-health which led
to his being absent from
duty very frequently, and

on long periods of leave. During the last ten years of his service there was not a single year in which he was not thus absent on leave, the total period of such absence aggregating 4 years, 6 months and 21 days. He was, moreover, partially blind & incapable of performing any work when allowed to resume his duties. On this being represented to the Divisional Officer at the time of the Annual Settlement the Deon was, at his own request, relieved of his duties and his son

intended to his post.

At the time of the submission of the application for gratuity, I learned he thought it of more importance to keep his position in the permanent post, to return to work on the view of earning pension in lieu of a gratuity, and under the circumstances I did not consider it necessary to make the arrangements had been made.

I have the honour to be,
Sir,

Your most obedient

J. H. H. H.
