GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—letter from the Collector of Tanjore, dated 23rd February 1882, No. 961.

READ—the following certificate and report from H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 11th May 1882, No. 37-A.D.J. :—

Certified that, should Government, with reference to the explanation furnished by the Collector in paragraph 5 of his reply to this office letter, No. 238-A.D.K., dated 6th March 1882, accompanying, be pleased to admit towards pension the period of the applicant's service from 16th March 1873 to 15th March 1876 rendered in a temporary establishment, notwithstanding that no order is now forthcoming to prove the fact that the transfer was made on the understanding that when the temporary duty ceased the applicant should return to his appointment on the permanent establishment, qualifying service in superior grades will be duly proved for eighteen years, nine months, and two days, and an invalid pension not exceeding Rs. 14-13-8 per mensem, equal to one-third average emoluments, will be admissible under Sections 102 and 109 (*b*) of the Civil Pension Code, 5th Edition. Under ordinary circumstances service rendered in a temporary appointment by an individual who has been transferred from a pensionable or permanent appointment without such an understanding would not reckon for pension (*vide* Section 71 of the Code).

2. It is observed that the pension proposed by the Collector in the first page of the application differs from that recommended in the preceding paragraph. The difference, it is presumed, is due to the inclusion in the calculation of average emoluments of the additional allowance drawn by the applicant during the period of his temporary employment from 26th January to 15th March 1876, and this has been excluded from the calculation made in this office under Rule 1, Section 123, of the Code.

3. The applicant is reported to have died on the 16th July 1881. The pension due to him up to that date should, therefore, be made payable to his surviving son Vanugopaul Naidu as recommended by the Collector.

4. The delay in the submission of the application is explained by the Collector in his reply to this Office No. 238-A.D.K., dated 6th March 1882.

5. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 29th May 1882, No. 500, Pension.

Under Sections 102 and 109 (*b*) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Gurramkonda Gurusami Naidu, late Vernacular Head Accountant, Collector's Office, Tanjore, an invalid pension of Rs. (14-13-8) fourteen, Annas thirteen, and Pies eight per mensem, payable at Tanjore from 1st July 1881, in consideration of his qualifying superior service of eighteen years, nine months, and two days.

2. With reference to the Accountant-General's remark respecting the applicant's transfer from a permanent appointment in the Collector's Office to the post of Head Clerk on the temporary establishment of the Assistant Collector, the Government accept the explanation furnished by the Collector and admit towards pension the period of the applicant's service in that establishment from 16th March 1873 to 15th March 1876.

3. As the applicant is reported to have died on the 16th July 1881, the arrears of pension up to that date will, under Section 172, Rule 2, of the above Code, be paid to his son Vanugopaul Naidu as recommended by the Collector.

To

The Accountant General,
Fort Saint George,
Madras.

Sir,

With reference to your letter No N.D.K / 238, dated 6th ultimo, I have the honour to return the Service book, &c, of Gurusamy Naidoo late Vernacular Head Accountant in this Office with the required particulars.

Reply to No 5

The reason of termination of service on 15th May 1857 has been entered in the Service Register and duly attested.

Reply to No. 9. The Service Register was not verified till the date of his retirement and the delay was owing to want of information from the Applicant himself regarding a portion of his Service, the records had therefore to be hunted up and the particulars ascertained with some difficulty.

Reply to No. 14. The name of the Applicant's heir entitled to receive the pension is Vanufopalu Naidoo, the eldest son of the deceased.

Reply to No. 22. No explicit order appears to have been issued when the appointment was made to show that the transfer of the Applicant to temporary duty was made on the understanding that he is to revert

when that duty ceased, but subordinate under an Assistant Collector when detailed from the Permanent Establishment are always understood to be entitled to revert after occasion occurs. The appointment of Head or first Clerk, Assistant Collector's office, was made by the Collector who alone is vested with the patronage and right of selection to appointment.

Reply to No. 23. I am sorry to state that the period of leave on private affairs enjoyed by the Applicant from 5th August to 3rd October 1865 and from 1st October 1867 to 31st January 1868 were not entered in the history of the Applicant's service and deducted from the period of his qualifying service as the leave Statements of 1862 to

to 1868 were not forthcoming in the records.

2. If the Applicant had been alive when the pension Application was prepared and submitted, the necessary information would have been obtained and inserted in the Service Register.

3. I regret to observe the General carelessness shown as regards these important records, that every endeavour has now been made to urge and insist on regularity.

He is also, I believe, first in the list for promotion in the Whole District.

I have no doubt he would make a Capital sub magistrate

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

2 No ~~AOI~~ 37. Certified that should Government with reference to the explanation furnished by the Collector in para 5 of his reply to this office letter No $\frac{ADK}{238}$ dated 6th March/82, accompanying, be pleased to admit towards pension the period of the applicant's service from 16th March/73 to 15 March/76 rendered in a Temporary Establishment notwithstanding that no order is now forthcoming to prove the fact that the transfer was made on the understanding that when the temporary duty ceased, the applicant should return to his appointment on the permanent Establishment, qualifying service in superior grades will be duly proved for 18 years 9 months and 2 days; and an Invalid pension not exceeding Rs. 14-13-8 per mensem equal to 1/3 average emoluments will be admissible under Sections 102 and 109 (b) of the Civil Pension Code. 5th Edition. Under ordinary circumstances service rendered in a Temporary appointment by an individual who has been transferred from a pensionable or permanent appointment without such an understanding would not reckon for pension. Vide Section 71 of the Code.

It is observed that the pension proposed by the Collector in the 1st page of the application differs from that recommended in the preceding para. The difference, it is presumed, is due to the inclusion in the calculation of average emoluments of the additional allowance drawn by the applicant during the period of his temporary employment from 26th January to 15th March/76; and this has been excluded from the calculation made in this office ~~as per~~ under rule 1 Section 123 of the Code.

The applicant is reported to have died on the 16th July/81. The pension due to him up to that date should therefore be made payable to his surviving son Venugopaul Nayadu, as recommended by the Collector.

The delay in the submission of the application is explained by the Collector in his reply to this office No $\frac{ADK}{238}$ dated 6th March 1882.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.
