the gratuity papers of Verramalay Pillay

District received with your endorsement
No $\frac{405}{JC}$ dated 23rd June 1881, and to request
that you will retransmit the same with
information on the following points -

(a) When and at what rate the
applicant drew pay for the period
from 1st to 15 May 1880; the audit
registers of this office show that
pay only up to end of April 1880
was passed to him -

(b) Whether the applicant
refunded the gratuity of Rs 75
stated to have been received by
him. The number and date
of the order of Government
which sanctioned the gratuity

should be intimated.

(c) The Audit registers of this office show that the applicant was Sub Overseer 3^d Class on Rs 15 per mensem from 1st May 1857 to 31st July 1857, when his services were dispensed with owing to the abolition of the Sub Overseer Grade.

The Appointment held by the applicant from 1st August 1857 to 13th November 1860 should consequently be supported by any original documents that may be in the possession of the applicant.

(d) The applicant's services were dispensed with on reduction of Establishment on the 31 March 1863 and not 30th April 1863 as noted in service book and gratuity application -

(e) As the period of the applicant's services from 1st November 1857 to 30th April 1857, 1st August 1857 to 13th November 1860, and 1st April 1863

to 31st October 1865, cannot be verified from either the records of this office or those of the Divisional and Circle offices, the applicant should be called upon to submit an Affidavit with statements of contemporary servants supported by such other collateral evidence as may be available vide Civil Pension Code Section 127 rule 5 -

(f) From the fact of a gratuity of Rs 75 equal to three months pay having been sanctioned for the applicant in April 1863, it would appear that his services as Maistry from 1st November 1851 to 30th April 1857 were rendered in a non-pensionable grade. Should this be the fact the gratuity application of the applicant should be

modified accordingly

(9) The Applicant should also be required to explain to circumstances under which pay at Rs 22½ only was claimed and admitted for him from 1st April to 31st July 1870 -

With reference to your endorsement on Examiner's letter No. 308 S.E. dated 2nd August 1881 herewith returned, I have the honor to afford the following information on the several points therein referred to.

A. No pay was drawn from 1st to 15th May/80. The gratuity application has accordingly been altered.

B. The gratuity of Rs 45 referred to has not been refunded by the applicant.

The Government Order sanctioning the same is not to be found amongst the records of this office.

C. The applicant does not possess any official documents to support the appointment held by him during the period from 1st August 1857 to 13th November 1860.

D. No records are available in this office to verify the exact date on which the applicant's services were dispensed with.

F. The services of applicant from 1st November 1851 to 31st March 1863 have already been verified and a gratuity of Rs 75 has already been awarded to the applicant and it appears now unnecessary to treat the period referred to as non-pensionable. The necessary deduction has now been made in the gratuity application.

G. The applicant states that he was drawing pay at Rs 25 and not Rs 22½ for the period in question.

2. The total service of the applicant from 1st November 1851 to 30th April 1880 is calculated to be 28 years and 6 months and a gratuity of 6 months pay as particularized in

The applicant was granted a pension of Rs 100 per month for his services up to and March 1826 and did not receive the same on re-employment until Feb. 1827. <i>Engineer</i> at <i>Trichinopoly</i> after Rs 100 per month in January 1827. His services have been claimed as non-qualifying.
<i>Inspector of Police</i>	<i>Trichinopoly</i>	15		1 May 1827	30 July 1827	3		<i>Reduction of Grade</i>		Not verified from either the Audit Register of the Office or from that of the Divisional and Circle Offices.
