Honored Sir,

With reference to your Court's
Proceedings N^o 31, dated 17th March 1882,
forwarding letter N^o A D K dated 9th March
241
1882, from the Accountant General of Madras,
and other papers herewith connected, I beg to submit
the following, which is all the information I could gather
in answer to the questions returned by the Accountant
General in his letter aforesaid.

2 The records in this Court for the years previous
to 1872 had been, under orders of the District Court,

destroyed in the years 1875 & 1876; and I understand that the communications and orders relating to Battula Apparu's appointment as acting Balla Amin in 1865 were included in the records so destroyed.

3 But an old Diary which, on search, has been found among the records in this Court, shows that Battula Apparu's appointment as Balla Amin in 1865 was made by the then Munsiff, and approved of by the District Court, and that Battula Apparu rejoined his post as permanent peon of this Court on 1st July 1868.

4 This Diary seems to have been regularly kept, by a Clerk of the Court, of the daily disposal of work, regular and miscellaneous, by this Court and is initialed by the then Munsiff at the foot of each page, and signed in full at the conclusion of each day's entry.

An extract thereof with true translation is hereto attached.

5 I have no doubt that Battula Apparu's appointment as acting Balla Amin was sanctioned by the District Court, and, as such, he still held a lien and a right to his post of permanent peon of this Court from which he was neither suspended nor dismissed; and therefore the period of his service as Balla Amin was not excluded from his qualifying service.

6 I confess that I am not in a position to quote the Rules that would apply to the facts above stated; but it seems to me, that, if the period of Battula Apparu's service as acting Balla Amin were excluded from the period of his lengthy services, yet as he had not at any time lost his right to his post of permanent peon, it would not affect his present right to the

pension applied for

9-

7. The service books of Battula Appaia and Gazala Jagannayakulu which by oversight were not attached to their applications are herewith forwarded. I have to add that ^{their} books were introduced in 1877, and the service book of the former contains no entry of his having acted as Batta Amin at any previous date as he did not then bring it to the notice of the then Munsiff and not, till he gave his affidavit, submitted with his application, when he for the first time made mention of the fact.

SIR,

With reference to your letter N^o 206 dated the 27th February 1882, submitting applications for pension on behalf of two persons belonging to the District Munsiff's Court, Rayavaram, I have the honor to request that you will be good enough to furnish me with information on the following points:-

(a) Why B. Appadu's appointment as Ballo Amin from 1868 to 1869 as mentioned in his affidavit was not shown in the application for pension and the period of service rendered in it was excluded from the total period of his qualifying service, unless there is some authority sanctioning the admission of such service towards pension.

(b) Whether his transfer from qualifying to non-qualifying service for employment as above, was sanctioned by a competent authority.

(c) Why the Service Books of both the persons have not been forwarded as usual to this office. If none were maintained, it is requested that

SIR,

In returning the two applications for pension on behalf of G. Jagannayakulu and B. Appan, late peons of your court, and other papers connected with them received for verification with your letter No. 141 dated 8th December 1881, I have the honor to state that the service of G. Jagannayakulu from 1st May 1865 and that of B. Appan from 1st April 1870 as detailed therein have been verified with reference to the Annual Returns on record in this office, and found to be correct. In the Returns from 1865 to 1869 the name of one Bathala Durmiah is shown instead of that of the applicant, B. Appan. The service of the applicants prior to 1st May 1865 cannot be verified from the Annual Returns, as they do not contain the names of servants whose pay

contemporary evidences should also

as to whether there were any breaks
in the continuity of the applicants'
services and whether they enjoyed
any leave other than privilege; if
so, the nature of such breaks and the
duration of such leave of absence
should, as far as possible, be specified.

state that the delay in the submission of the pension
applications therein referred to owes partly to the
searching of the old records for verifying the services
of the applicants, and partly to the absence from

Revised affidavit of Battula Appadu late
peon of the District Munsiff's Court of Vayavaram Vizagapatnam
District.

My age is 60 years. In March 1837, I was
entertained in this Court as peon. I was then 15 years
old. My service is 41 years and odd. During my
service I was neither fined nor punished in any
other way - I did not take gratuity. There is no
break in my service. I took 6 months' leave
on private affairs and 3 months sick leave.
I received half pay on both occasions. I do not
remember when I obtained the said leave. I did
not take any other leave than that above mentioned.

From 1865 to 1869 I acted as Batta Amin in
this Court. During that time, one Battula Dharmayya
was appointed to act for me. Therefore his name
was entered in the accounts from 1865 to 1869.
