PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again No. 1st June 1882, Dist. No. 1705.

Read also the following papers:-

Letter from the Accountant General, dated 9th June 1882, No. 1705.

With reference to the Proceedings of Government, No. 1705, dated the 1st June 1882, calling on me to report whether Mr. Ferrand will be entitled on the 12th instant, to the full amount of pension vizt. Rs. 5000 a year, I have the honor to state that from the appended Memorandum of calculation it is apparent that Mr. Ferrand's average emoluments will, on the 12th instant, exceed Rs. 10,000 a year, and he will therefore, assuming that his pensionable service on that date will amount to 30 years, be entitled under Section 113 of the Civil Pension Code, to the maximum pension of Rs. 5000 a year from that date.

2. Although Mr. Ferrand was by Notification in the Fort Saint George Gazette of 25th September 1880 page 439, confirmed in the appointment of Superintendent of Stamps, Madras, with effect

only from the 1st Idem, yet I am of opinion that
he may be allowed to count the lecting allowance
drawn in that appointment from 21st August 1879
in calculating his average emoluments for pension
under the terms of the Government of India letter,
No. 1651, dated the 8th July 1880.

3. In conclusion, I beg to state that the
above report is based on the presumption that
Mr. Fernando's pensionable service will amount
on the 12th Instant to more than 20 years. The Re-
gister of Service of C gazetted Officers maintained by
this Office contains a record of his services only from
the date he became a C gazetted Officer viz. 1 January
1865. To save delay, the usual regular application
has not been called for prior to disposing of the
reference.

Memorandum from the Military Department,
dated 17th June 1882, No. 29143, forwarding the fol-
lowing extract from the Service Register
in the Military Department of the Govern-
ment Secretariat of the service of Mr. J. A. Fernando.
