SIR,

In returning the application for gratuity on behalf of Dontaroju Venkatanabayya late Head Clas. Sirista, Revenue Settlement, Ganjam received with your endorsement No. 2343/78 dated 21st October 1881, I have the honor to request that you will be good enough to inform me whether the appointments of Demarcator and Cheziqui in which the applicant is stated to have been acting uninterruptedly from 9th September 1867 to 5th April 1870 were fully vacant, or held by the permanent incumbents of which did not draw any part of the pay and consd. service in the

them. If so, please state whether you have any objection to allow the applicant the benefit of counting towards pension his acting services with reference to Rule 13, Section 70, of the Civil Service Code, 5th Edition.

It is also requested that the circumstances under which the above appointments fell vacant may be fully explained and the reason of termination of each appointment held by the applicant during the period intervening between 1st January 1861 and 31st December 1863, 6th September 1867 and 31st August 1871 clearly stated in the appropriate column of the Service Book herewith returned.

The applicant's name is not to be found in the Annual Return for 1865. If it is due to omission of his name in the bill for April 1865, as stated in the remark column on the 2nd page of the application, an affidavit from the Applicant in support of his services for that month should be obtained and forwarded to this Office at an early date.

Sir,

In reply to your endorsement of the 4th Ultimo No 2539/408 Communicating Copy of Accountant General's letter No A 2/1 dated 2nd Inst, I have the honor to offer the following explanation on the different points regarding which information is called for with reference to D. Venkatasubbayya's application for gratuity.

Para 1 & 2. 2. I forward to Venkatasubbayya

was confirmed in the post of Remembrancer on the 9th September 1867; (Vide Extract from pay bill memorandum herewith enclosed) promoted to acting Classifier post on the 1st September 1868 retaining a lien on his substantive appointment and then having reverted to his permanent appointment on the 27th Idem, he was again appointed to act in a vacant Classifier's post from 1st October in which post he was confirmed on the 1st April 1869 with retrospective effect from 1st October 1868. I am now unable to explain however the circumstances under which the above appointment fell vacant. In my letter of July 1851 — No 216/142 6

to Colonel Stuart I said the "applicant acted from 6th April "to 31st October 1870 in a vacant "post and from 1st March to "5th April for Ramayya who "counted service in the acting "appointment for another man "who was first absent on without "allowance leave and afterwards "absent without leave". Under these circumstances it is evident that Venkatasubbayya counts service from 9th September 1867 to 5th April 1870 and the gratuity roll requires a little alteration. I have made the needful corrections in the Service Register and filled up the gap in Col. 11 of the same except opposite items ending 31st March 1863.

Para 3. 3. As the records of the Nellore party for 1863 were all lost in the cyclone of 1864, I have

have written to the Schoolboard of Gentoos to obtain and forward to this office the affidavit called for. Meanwhile I enclose a certificate taken from one of the Clapfieir then in this party which seems to give a sufficient reason for the man's name not appearing on the establishment in the month of April, when formerly he was suspended without pay during enquiry into the charge found in the roll he was supposed to be responsible for, in which perhaps he was afterwards found not guilty of and so was re-instated in the following month.

4. As the Pay bill Memorandum of this party for 1864 have all been destroyed I am unable to explain the cause of the man's dismissal in that year and the only data I can find regarding his re-employment in 1867 is the enclosed extract from Pay Bill Memorandum for September which speaks of his being provided with a permanent Remunerators post.

Extract

from the Certificate taken from the Classifier Venkatadrivarasam Jaga-
nnadharaw on the 6th December 1881 regarding the services of Donta-
radza Venkatasubbayya late Head Classifier of the Ganjam Settlement
party -

I was working in the settlement party in the Kurnool
District in 1863 and distinctly remember Dontaradza Venkatasubbayya
being then a Classifier in that party -

When Examining the masonry pillars on the Boundaries
of certain villages of the Ramallakota Taluq which he had demarcated
Mr Morris the Deputy Director discovered that mud had been used inside
in them instead of chunam and later on he was reported to Mr Morgan
the Assistant Director for having carried out the demarcation of Gane
and some other villages in the Nundial Taluq without putting down
the proper stones for both which reasons he was dismissed by Mr Morris
This punishment was carried out about the middle of the period
that the parties came in to Kurnool for Recess in that year so that
I have no hesitation in saying that it must have been in the month
of April
