6TH JULY 1882, No. 587, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Inspector-General of Jails, dated 2nd February 1882, No. 350.

Certificate and report from the Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 20th May 1882, No. A.D.J.-46.

Certified that should Government be pleased to admit towards pension the period of the applicant's service, from 12th January 1877 to 15th January 1880, rendered in a temporary establishment, notwithstanding that no order can now be produced to prove that the transfer was made on the understanding that, when the temporary duty ceased, the applicant should return to his appointment on the permanent establishment (*vide* Section 71), qualifying service in inferior grades will be duly proved for nineteen years, six months, and five days, and an invalid gratuity not exceeding Rs. 40, equal to five months' pay, will be admissible under Sections 102 and 117 (a) of the Civil Pension Code, 5th Edition.

2. It will be observed from the history of service that the applicant originally served as Peon on the extra Jail establishment, Nellore, for a period of eleven years, eight months, and eighteen days, viz., from 26th August 1850 to 13th May 1862. This establishment was then declared to be temporary, since men were taken on and discharged from time to time according as the number of prisoners increased or decreased. The rules of the Civil Pension Code do not provide for service rendered in such an establishment being reckoned towards pension; but the Superintendent of Nellore District Jail quotes the case of K. Siddulu, disposed of in G.O., No. 333, dated the 27th July 1870, as a precedent for admitting the above period of service. Should Government be pleased to extend the indulgence to the present case, the applicant's total qualifying service will amount to thirty-one years, two months, and twenty-three days, entitling him to an invalid pension not exceeding Rs. 4 per mensem, equal to half pay under Sections 102 and 117 (b) of the Code. It is respectfully requested, however, that such grant, if made, may be reported to the Government of India for approval.

3. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

ORDER—dated 6th July 1882, No. 587, Pension.

Under Sections 102 and 117 (b) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Sheik Madar, late First-class

Warder, District Jail, Nellore, an invalid pension of Rs. (4) four payable at Nellore, in consideration of his qualifying service of thirty-one years, two months, and twenty-three days.

This is to certify that I have carefully examined *Sheik Madar*
son of Sheik Davood

His age is by his own statement 55 years and by appearance about 55 years I consider *Sheik Madar* to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of *Defective vision & general debility & generally worn*

His incapacity does not appear to have been caused by irregular or intemperate habits. He has not been under general Medical treatment.

Sir, With reference to the application for pension on behalf of Sheikh Madar, late Jail Warder, District Jail, Bellary, forwarded with your letter No. 350 dated the 2nd February 1882, I have the honour to enquire as follows:
1st) whether the extra jail establishment in which the applicant was employed as Peon from 26 August 1850 to 13 May 1862 on pay of Rs. 5 a month, was first created permanently or temporarily, and then made permanent from the date of the creation. A copy of a final authority of Government that may be forthcoming from your office records to prove that the confirmation of the establishment took retrospective effect, should be forwarded. 1 ENCLOSURE

and submission to Gov
an application for pension
from Sheikh Madar, late
warder in Bellary Jail

Recommendation for the inclusion of the above period of service in the total period of the Applicant's qualifying service should be justified with reference to the rules of the Civil Pension Code.

(b) Whether the applicant, while employed in the above establishment, was given to understand that his appointment was only temporary, and that his services would be liable to be dispensed with after the termination of the establishment.

(c) Whether there is any precedent for admitting similar service towards pension. If so, the date and date of the Govt sanctioning such admission should be quoted.

The specific opinion of the Head of Office as to whether the future service has been only established and should be admitted, or not, should be inserted below No 5 on the 3 page of the application.

The reason why the Applicant's name was omitted from the Annual Returns for 1877, 78 and 79 furnished to this office, should be stated.

I have the honor to be,
Sir,
Yours obedient servant
J. H. M. M. M.

Respectfully,
J. H. M. M. M.

27th July 1870. This man it would appear drew his pension for some four years in arrears at the rate of Rs 4 per annum. 23

The man now applying is positive that the deceased warder was placed on the permanent establishment the same day as he was.

The reason the warder's name was omitted from the Annual Returns of 1877, 78 & 79 is that up to 1879 the names of the warders were never put down, the Return simply showing the number in each class.

I think that section 70 of Civil Pension Code for 1881 para 31 may be made to apply to this warder's case.

I have the honor to be,
Your most obedient servant
