Certified that I, E. C. Trimnell, Surgeon Major,
Lillab Surgeon Chingleput have carefully examined
Panamalai Vencataramana Chetty son of Panamalai
Govinda Chetty, 2^d Clerk, Sub-Collectors Office, Chingleput.
His age is by his own statement 41 years and by
appearance about fifty years. I consider Panamalai
Vencataramana Chetty to be completely & permanently
incapacitated for further service of any kind
in the Department to which he belongs in consequence
of General Orbital and Defective Eyesight. His incapacity
does not appear to me to have been caused by
irregular or intemperate habits.

16.7.01

The applicant's statement is to the effect that he is constantly liable to fever, has quite lost his power of memory, is nervous and sleepless at night. He also states that he has lately suffered much from boils, one of which he has had for three months and now forms an open ulcer. He adds that his sight is very defective.

On examination I find that he has very advanced Presbyopia, is very nervous so that his hands shake in writing, his pulse is weak, 120 per minute and he appears generally debilitated.

His eyesight is not likely to benefit by treatment. He has been treated by the 2^d Class Hospital assistant attached to Sub-Collector's Establishment with general tonics and palliative measures.

in the transmission of this application and
this is due to the following circumstances

Venkatramana Chary put in his applica-

questing that, as he was quite unable to
work in consequence of defect of sight, want
of memory and general debility, he might be
ordered to retire. As this application was

otherwise provided that he retains a lien

REMARKS BY HEAD OF OFFICE.

- As to character and just conduct of Applicant. *Nothing against him except his degradation in 1873. Good.*
- Explanation of any suspension or degradation. (1) The applicant was degraded in 1873 from the post of Dy Subcollector of Streeperumburam as that of a *gunge* on 12/15 in which he was taking salary for leaving his head quarters without permission and for acting as an agent *acting up for leave*. One of the then Sub Collector's proceedings not for the same. (2) The applicant had, in consequence of the *regulation* of 1873, been charged with the duty of collecting the *gunge* (which was then in the hands of the Sub Collector of Streeperumburam) to his former post (which was then in the hands of the Sub Collector of Streeperumburam) and he was degraded on 12/15.
- Regarding any gratuity or pension already received by Applicant. See Chapter *XIII* *None*
- Explanation under Section *II*, Rule I, so far as the Head of the Office can give it. *None.*

5 Any other Remarks.

The applicant is inefficient owing to infirmity. His service (Regular, daily and Medical Certificates accompanying). As a specific disease is mentioned in the latter, it will be seen that no 2nd Certificate is, under Section 104 not necessary. A recent statement of the case is also enclosed.

- There are in all 2 Breaks in the applicant's service viz from 31 October to 22 November 1870 and 13 and 14 July 1878 and these are accounted for as follows.

The first which amounts to 23 days was caused by Venkatramana Chetty having to travel from Chinnamanur in the Madura District to Streeperumburam in time to which he was transferred. As the transfer was made at his own request, no pay for the period, though it was not in excess of that then allowed, was disbursed to him.

- As regards the 2nd. He was promoted from the post of a clerk in the Sub Collector's Office to that of a Taluk Sheristadar at Chingleput on the 13 July 1878. As the Sub Collector's Office was then at Tripasore the applicant spent 2 days in joining his new appointment. Apparently owing to a mistake no pay was allowed to him for this period. He seems not to have claimed it though justly due to him vide Section 157 Rule 10. It is therefore recommended that these periods be commuted into leave without allowances and thus Condoned.

- Two original Lists received from the Treasury Dy Collector of Madura in regard to the Verification of the applicant's Services are herewith forwarded.

- The delay in the submission of this case is explained in the enclosed extract from the Sub Collector's letter N^o 113 dated 31 January 1882. The papers were finally received in this Office only on the 24 February.

- For the reasons given in this Office N^o 3276 dated 11 August 1881 Venkatramana Chetty retained a lien on his permanent appointment while holding the several Acting appointments which he fills.

Specific opinion of Head of Office
Letter the service claimed is
established and should be admitted
or not? (See Rule 6 under Section 84)

Services claimed have been established by records and should therefore be admitted.
