16. Information as to whether the appointment of *Clerk* in which the applicant is stated to have been acting from *1st Jan 1861 to 31 Aug 61* was fully vacant, and whether any person, save the applicant, counted service in it during that period.

24. Information as to whether the Collector has any objection to recommend the applicant (who was above 55 years of age at the time of removal from the service) for the grant of a Superannuation pension under Sec: 106 of the Civil Pension Code instead of an Invalid pension for which he is now recommended. If he has no objection the necessary alterations should be made in the entry opposite to No. 9 on the 1st page of the application and the certificate required in No. 6 above should be furnished. If he has any objection the explanation required in No. 11 above should be given.

Replies

6. The required certificate is duly entered against 5 on the 3rd page.

7. Columns 9 & 12 on the 7th page are now duly signed. The signature required in column 7 on page 6 cannot however be obtained as the applicant is dead.

9. The applicant having died soon after his retirement his application was kept back till those of older date had been disposed of. Under arrangements recently made it is hoped there will no longer be any delay in the submission of such applications.

11. As the applicant was suffering from paralysis there was no room for doubt as to his total unfitness for further service, but a certificate could not be obtained as the applicant was dangerously ill at the time at a place which is not

the residence of any medical officer and which is a good way from Mangalore the station of the Civil Surgeon.

15. Enquiries are being made as to who the applicants heirs is, and the result will be communicated in due course.

16. From the 14th January to 31st August 1861 the applicant drew full pay of the post in which he acted during that period and was without any interruptions in his service, confirmed in the same with effect from the 1st September following on the dismissal of the permanent incumbent. Hence the acting service under reference has been reckoned as qualifying under Section 70 clause 3.

22 & 23. Though no special order was recorded to that effect, the applicant's detachment on temporary duty was made on the understanding

that when the temporary duty ceased he should revert to his permanent post of 5th Vernacular Clerk on which he appears to have been allowed a lien. The omission of his name from the annual list of establishments for 1878 & 1879 seems to have been the result of an oversight as is evident from the fact of the list for 1880-81 shewing his name in the post in question.

24. There is no objection to the grant of a Superannuation pension to the applicant. A revised application is submitted accordingly.
