Proceedings of the Board of Revenue

Dated 11th June 1873

Read letter from the Acting Collector of Kurnool dated 21st May 1873, No 161, reporting on Board's petition No 8244 of 1873 regarding the degradation of Petitioner as Revenue Inspector.

The Board have perused the Zaheildar's charges against the late Sheristadar and the reply of the latter, no other means of judging of the alleged delinquencies of the Sheristadar seem to have been before the Collector. The Board do not consider the charges against Petitioner satisfactorily proved and direct that he be re-employed as a Taluq Sheristadar in some other Taluq.

12. Explanation why the medical certificate is post-dated to the extent of ____ days / ____ months, the applicant having ceased to do duty on

13. Information as to whether the applicant applied for his pension / gratuity during his life time; if so, when he applied and when he died.

14. Information as to the name of the applicant's heir entitled to receive the gratuity or the amount of arrears of pension due to him.

+ 26. It is observed from the remarks on the 2nd page of the accompanying application that the Applicants Services from July 1857 to June 1860, and a certain portion of 1st September 1861 have not been verified from the Abstracts for want of details in one case, and the names of such Servants whose pay was less than Rs. 15-10-8 per mensem not having been entered in the other. Information is therefore requested as to the class of records from which the above periods have been verified. If they have not been verified from office records of the course prescribed in Rule 6 Sec: 127 should be adopted and the Affidavit of collateral evidence should be forwarded to this office at an early date.

Memo No 786 13.

(11) The applicant owing to certain disease he was suffering from for a long time, had resigned his post on the 2nd January 1881 and could not appear before the Medical Officer at Kurnool till after the end of February owing to his severe illness, which the applicant says, prevented him from travelling a distance of 104 Miles from Cumbum.

(22). Rayasum Appa Row was appointed Tamil Additional Deputy Tahsildar in the Nandikottkur Taluq on 1st December 1876 along with others in the same capacity, on the understanding that when his Temporary duty should cease, he should revert to his Substantive appointment, but no order to that effect appears to have been passed by the then Superior Officer who appointed the applicant. His permanent appointment while on such Temporary duty cannot be inserted in Column 3 on the 2nd page of his Service Book, the same not having been received with the objection memo under reply.

1862 1 Year Leave Bond

(24). The Sick leave which the applicant is stated to have enjoyed for 15 days from 1st to 15 July 1866 is now entered in the history of Service, and deducted from his qualifying Service.

(25) - The Service rendered by the applicant before the age of 22 years is now deducted from his qualifying Service as required by Section 63 of the Civil Pension Code.

(26) - English Pay Abstracts from July 1859 to June 1860 are available in the record but they do not exhibit the names of Servants in detail. It is clearly observable from the Vernacular Monthly Pay Abstracts that Appa Row was employed - Mulki Gumasta in the Taluq of Dhond from 1st January 1858 up to end of June 1860. His name is also to be found in the Annual Detail Statements for 1859 and 1860. The services of the applicant while employed as * 3d Clerk of the Kolkeutta Deputy Collectors Office from 1st January 1861 to 30th September 1862 cannot be verified as the Vernacular Pay Abstracts for that period are not forthcoming in the Records; but they appear to be true from the Entries made by the applicant in his Service Register. The Annual Detail Statement for 1862 however shows that the applicant was employed as Clerk in the Deputy Collectors Office Kolkeutta. The affidavit (Enclosed) taken from the applicant under para 5 Section 127 of the Civil Pension Code also seems to establish the above points.

* Entered as 3d Clerk in the Service Register which must be altered.

15.

The remarks "No details in Abstracts from July 1859 to June 1860" and "Names of Servants drawing less than Rs 16-10-8 are not entered in the Abstract" made on the 2d page of the Application, had reference only to the English Abstracts.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. His Character throughout his service has, so far as my information goes, been very bad. His last public act was to make to me the false statement about the result of the Civil Surgeon's examination of him that I have recorded on the Certificate.

2. Explanation of any suspension or degradation. The applicant while Taluq Sheristadar of Ramalkot was degraded once in the year 1873 owing to ignorance of his work and gross insubordination to the Tahsildar but on appeal he was restored by the Board of Revenue to his former grade of appointment (vide Board's Mis: № 2541 of 11-6-73 Copy enclosed) He was also suspended for a period of 6 months and 28 days Vide the enclosed translation of Collector's Orders Nos 103 of 12-2-78 & 198 of 12-3-78 for making alteration in a public document.

3. Regarding any gratuity or pension already received by Applicant. (See Chapter XIII) Nil.

4. Explanation under Section 103 Rule 1, so far as the Head of the Office can give it. Nil.

5. Any other remarks.

6. Specific opinion as to whether the service claimed by the applicant has been established and should be admitted.

I do hereby certify that Rayasam Appa Rau late Taluq Sheristadar of Cumbum was unfit for public service owing to age and infirmity. The applicant is being below 60 years a Medical Certificate from the Villak Surgeon with the detailed reasons of the applicants unfitness is enclosed as required by Section 103 and note 2 of Section 104 of the Civil Pension Code 5th Edition. The applicant resigned his post on the 2nd of January 1881 at Cumbum and appeared before the Civil Surgeon on the 3rd March 1881 to obtain a Medical Certificate. The certificate granted at first by the Villak Surgeon not having been in accordance with the form prescribed in the Pension Code it had to be returned for revision. Then in the course of verifying the services of the applicant there were several omissions which had to be filled up. The applicants signature in several places as also the necessary entries in the 1st page of his Service Register was wanting and his service Register had therefore to be sent to Cuddapah District where the applicant resides for supplying the omissions. Hence the delay in the submission of this application.

6— With regard to rule 6 Section 127 of the Civil Pension Code 5th Edition. I am of opinion that the service claimed by the applicant has been established and should be admitted.

The Service Register and the Last Pay Certificate of the applicant are herein enclosed as required by Sec: 128.
