GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Hon. R. DAVIDSON, C.S.I., Acting First Member, Board of Revenue, in charge of Settlement Department, to the Accountant-General, dated Madras, 28th April 1882, No. 1011-124.

I have the honor to forward, for the sanction of Government, an application for gratuity on behalf of M. Lakshmi Narayana, late Classifier, Ganjam Party, whose services were dispensed with in June 1880.

2. The great delay in the submission of the application is mainly due to the want of information which was necessary to the preparation of the application for gratuity and to the incomplete nature of the information furnished which rendered necessary repeated references to the Deputy Directors of Ganjam and Cuddapah.

3. The medical certificate as to normal prospects of life of the applicant, required by Rule 3, Section 99 of the Civil Pension Code was likewise called for on receipt of the application, but the Deputy Director reports his inability to submit it as the applicant has since died.

4. It is requested that the gratuity or such allowance as may be passed in this case may be made payable to his heirs.

Certificate and report from the Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 23rd June 1882, No. A.D.J.-93.

Certified that—should Government be pleased to consider that, in the absence of information to the contrary, the applicant's degradation from an appointment in a superior grade to one in an inferior grade on two occasions, viz., 1st March 1860 and 1st June 1870, was due to causes other than misconduct—the applicant's qualifying service in superior grades will be proved for ten years, six months, and fourteen days, and (subject to the remarks below recorded) a compensation gratuity not exceeding Rs. 400, equal to ten months' pay, will be admissible under Sections 100 and 109 (a) of the Civil Pension Code (5th Edition). The calculations have been duly verified.

The particulars required by Rules 1 and 6, under Section 100 of the Code, are given by the Deputy Director of Revenue Settlement in his remarks opposite to No. 4 in the third page of the application.

The delay in the submission of this application is explained by the First Member of the Board of Revenue, in charge of the Revenue Settlement Department, in his letter to this office, No. 1011-124, dated 28th April 1882, accompanying.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

It will be observed from the letter above quoted that while the application for gratuity was under preparation, the applicant died. It is probable therefore that if he had been examined by a Medical Officer in view to ascertaining the state of his health,

that officer would have reported that the applicant had not the normal prospects of life, in which case only a pension of Rs. 2-12-10 a-month would have been admissible to him (under Rule 3, Section 99 of the Civil Pension Code) instead of a gratuity of Rs. 400. Under these circumstances it rests with Government to decide whether a gratuity or pension should now be granted.

ORDER—dated 2nd August 1882, No. 673, Pension.

Under Sections 100 and 109 (a) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Malladi Lakshmi Narayana, late Head Classifier, Revenue Settlement, Ganjam Party, a compensation gratuity of Rs. (400) four hundred, equal to ten months' pay, payable at Masulipatam, in consideration of his qualifying superior service of ten years, six months, and fourteen days.

2. The services of the applicant were dispensed with in June 1880 and he died in September 1881. No inference can be drawn from this fact that he had not the normal prospects of life when discharged.

3. The amount of the gratuity sanctioned will be paid to his legal heirs under Section 172, Rule 2, Civil Pension Code.

4. The inordinate delay which has taken place in the submission of this application reflects discredit on the district authorities.

SIGNATURE.

Certified that, should Government be pleased to consider that, in the absence of information to the contrary, the applicants degradation from an appointment in a superior grade to one in an inferior grade on two occasions viz 1st March 60 and 1st June 70 was due to illness other than misconduct, the applicants qualifying services in superior grades will be proved for 10 years 6 months and 14 days and ~~that~~ (Subject to the remarks below recorded) a compensation gratuity not exceeding Rs 400 Equal to 10 months pay will be admissible under Sections 100 and 109 of the Civil Pension Code (5th Edition). This calculation has been duly verified.

The Particulars required by Rules 1 and 6 under Section 100 of the Code are given by the Director of Revenue Settlement in his remarks opposite to No. 1. In the 3rd page of the application of Revenue in charge of the Revenue Settlement Dept. in his letter to the office No 1011 dated 28th April 82 accompanying.

In accordance with Rules under Section 130 the attention of Government is respectfully solicited to Section 65 of the Code.

It will be observed from the letter above quoted that while the application for gratuity was under preparation, the applicant died. It is probable therefore that if he had been examined by a medical officer in view to ascertaining the state of health, that officer would have reported that the applicant had not the normal prospects of life, in which case only a pension of Rs 2-12-10 a month would have been admissible to him (under Rule 3 Section 99 of the C.P. Code) instead of a gratuity of Rs 400. Under these circumstances it rests with Government to decide whether a gratuity or pension should now be granted.
