2. As to the discrepancy in the age
of the applicant as shown in his service
book and the medical Certificate, I have
to state that it is a matter of difficulty
to obtain correct information for such
menial servants, as they have neither
horoscopes nor other registers giving the
dates of their birth.

3. The delay in the submission
of ^{this} gratuity application is due to
the non appearance of the Lascar before
the

the Resident Engineer to furnish the
