Office of Conservator of Forests
Madras 14 July 1882.

From,

Major J. Campbell Walker
Conservator of Forests.

To,

The Accountant General
Fort St George.

Sir,

I have the honor to forward the revised application for gratuity of Lalla Mah, late forest guard of the Wynad forest Division together with his service book, revised medical certificate and the correspondence relating thereto.

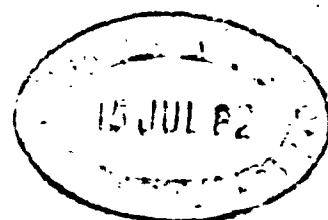

2 The Deputy Conservator prepared this application so incompletely in spite of instructions issued by this Office that the omissions in it and the service book had to be filled up here.

3. The applicant commenced his service in the Forest Department on the 24 November 1864, and on the 8 November 1866 resigned. He was out of employ for one year and five days. On the 13 November 1867 he entered the

Reservist

Revenue Department as Taluk from where he remained till the 9th November 1868 when he again resigned. After an interval of 3 months and 12 days he was re-employed in the Forest Department on the 22nd February 1869 where he served continuously for a period of 12 years 2 months and 1 day and is therefore entitled to a gratuity not exceeding 4 months' pay which amounts to Rs (4 x 9) = 36. As said above there have been two breaks in his service caused by the resignation of appointments and entailing forfeiture of past service. I have called upon the D^y Conservator of Forests Wynad Division to return the original documents such as the application, medical certificate of the applicant &c, but he has not yet done so. They will be sent to your office as soon as they are received.

I have the honor to be

Certified that I have carefully examined Lalla Meah. Peon. Wynad Forest Department. His age is, by his own statement 65 years and by appearance about 68 to 70 years. Looking at all the facts of his case and present condition, I consider that he is so far incapacitated for further service in the Department, ~~that~~ I recommend that he be permitted to retire from the service of Govt on gratuity. So far as I am in a position to judge, his incapacity has not been occasioned by irregular or intemperate habits.

- (4) No leave of any kind seems to have been enjoyed by him.
- (5) On the 24th November/64 he was entertained in this Department and on the 9th November 1866, he was transferred to Wynnad Talung. Again on the 22nd/69 he was re-transferred to this Range.
- (9) The application was prepared on the 10th May 1881, but for reference to the records, it was delayed till 6th July 1881. The application prepared on the main script form being ^{incomplete} ~~not legal~~ it was returned by the Conservator, on the 8th August/81 with prescribed printed form. Accordingly it was forwarded to the Conservator on the 10th September 1881 it was then forwarded on the 10th October/81. Thus the delay of 5 months occurred.
- (10) The applicant required a medical certificate on the 22nd April 1881 but as the application was prepared on the 10th May 1881, his service was calculated to that date. This was done under the impression that the applicant was entitled to count service up to the date of his putting in his application to the 10th May 1881.
- (11) From information obtained from the records his service was calculated at

at 19+00 years and therefore he was recommended for 6 months pay. The necessary correction has now been made.

15. The applicant was first entertained in this Department on the 24th November 1864 and from 9th November 1866 he was transferred to the Wynnad Taluk till 21st February/69. He was then on the 22nd February retransferred to this Department.

16. The applicant states that prior to his appointment in this office in 1864. He served in the Taluk for nearly 20 years.

18. The applicant cannot give the exact date of his birth by Christian era.

(23) The applicant was employed in the Taluk service from 9th November 1866 to 21st February 1869.

Applicant's pay was shown as Rs. 11-4-0 inclusive of Wynnad allowance viz 3/10 of his pay (Rs. 9)

A substitute has been employed for the applicant until he is finally removed.
