READ—the following papers:—

From the Examiner of Public Works Accounts, dated 11th November 1881, No. 603-X.
Official Memorandum to the Examiner of Public Works Accounts, dated 23rd November 1881, No. 111.

From the Examiner of Public Works Accounts, dated 10th February 1882, No. 868-X.

From the Examiner of Public Works Accounts, to the Secretary to Government, Pension Department, dated 22nd July 1882, No. 274-X.

In continuation of this office letter, No. 868-X, dated the 10th February 1882, and with reference to your memorandum, No. 111, dated 23rd November 1881, I have the honor to forward, herewith, copy of letter, No. 147, dated 1st July 1882, from Superintending Engineer, 4th Circle, together with copy of its enclosure regarding the date of final relief of retired lascar Venkatappa. As no notice of any kind would appear to have been served upon the retired lascar previous to his services being dispensed with on reduction of establishment, a gratuity of Rs. 21, equal to three months' pay, is admissible under Section 100, Rule 2, of the Civil Pension Code.

2. The lascar's death on the 5th July 1880 does not, it is thought, affect his claims to gratuity in lieu of notice.

3. The statement received with your memorandum is returned duly checked.

ORDER—dated 10th August 1882, No. 715, Pension.

Payment of the several gratuities set opposite their names in the accompanying list is sanctioned in lieu of notice to the individuals entered in the statement submitted with the Public Works Examiner's letter of 11th November 1881, No. 603-X.

Copy of letter from the Executive Engineer that based Division to the Superintending Engineer 4th Circle No. 317 dated 21st June 1882.

I have the honor in reply to your endorsement No. 147 of the 17th March last to report that the office copies of Salary Bills show that late Master Tennattappa was paid up to 30 April 1880, his pay for this month having been claimed as arrears and passed in the Salary Bill for November 1880 but no payment for May 1880 is payable either from the Salary Bills or the Acquittance Rolls for May.

2. As the man was, however, employed under Major Morait A.C. the date of his relief as reported in that Office No. 178 of the 31st July 1880, viz 31 May 1880 may I think, be assumed as the correct date.

3. 5th July 1880 appears to be the correct date of the late Master's death.

4. The entry of 31st March 1880 as the date of Tennattappa's relief and May 1880 as that of his death in the
