15TH AUGUST 1882, No. 741, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the Collector of Sea Customs, Madras, dated 6th June 1882, No. 1421.

Certificate and Report from the Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 20th July 1882, No. A.D.J.-127.

Certified that qualifying service in superior grades has been duly proved for thirty-two years, four months, and fourteen days, and that (subject to the remarks below recorded) a superannuation pension, not exceeding Rs. 13-14-7 per mensem, equal to half average emoluments, is admissible under Sections 106 and 109 (c) of the Civil Pension Code, 5th Edition.

The calculations have been duly verified.

In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

It will be seen from the entry opposite to No. 11 on the 1st page of the application, that the Collector recommends the grant of a pension of Rs. 14-11-3 in lieu of Rs. 13-14-7 a-month, the amount recommended by this office. The difference is due to the inclusion in the calculation of average emoluments of the additional temporary pay drawn by the applicant from 1st March 1880 to 30th September 1881, the period of his employment on an establishment which was at first created experimentally and ultimately became permanent, as well as for the period during which he retained lien and counted service for pension in his substantive appointment, the pay of which was only Rs. 30 per mensem. But this office has rejected the additional deputation allowance under the authority contained in Rule 1, Section 123, of the Civil Pension Code.

From a note in the Service Book, it will be seen that the applicant was confirmed in his appointment on the temporary establishment on the 31st October 1881, while from the explanation furnished by the Collector, in his letter, dated 7th July 1882, No. 1641, accompanying, it is clear that he was confirmed with effect from 1st idem. The latter date has been accepted as the correct one without further reference on the point.

ORDER—dated 15th August 1882, No. 741, Pension.

Under Section 106 and 109 (c) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Aranavoor Seenevasa Moodelly, late Clerk of the Customs Department, Custom Office, Madras, a superannuation pension of Rs. (13-14-7) thirteen, Annas fourteen, and Pies seven, per mensem,

payable at Madras, from 15th May 1882, in consideration of his qualifying superior service of thirty-two years, four months, and fourteen days.

TO THE GOVERNMENT OF MADRAS,

To

THE

Collector of
Sea Customs

SIR,

Madras
With reference to your application for pension on behalf of the deceased *Seenevasa Moodelly* late Clerk Appraiser's Department, received with your letter of the 6th June 1882, I have the honor to request that you will be good as to explain the circumstances under which you have included in the calculation of the Appraiser's average emolument the pension which he drew during the last 6 years of his life, and which I may should properly have been excluded from the calculation. Under Rules Section 128 of the Civil Service Regulations...

it be alleged that the tempo-
rary appointment was not
simply made permanent
in the calculation should be made
from a date on which he may
have been confirmed in that
appointment. Including therefore
the temporary pay from the cal-
culation, the applicants average
emoluments would be Rs. 27.3-3
as shown below and not Rs. 29.6-5
per mensem as shown by you
in the Register of Application.

15 May 1877 to 29 February 1881 at Rs. 26 = Rs. 558-11-4
1 March 1881 to 29 May 1881 at Rs. 30 = 278-8-9
Total = Rs. 836-19-13
Divided by 30 = Rs. 27-8-3 per mensem.

I have the honour to be
Sir,

Your obedient servant

M. J. C. M. C.

Respectfully
for the Registrar

No. 16141

FROM

R. I. Melville Esq.

Collector of Sea Customs,
Madras,

TO

M. H. Glogston Esq.

SIR,

Offg. Accountant General.

I have the honour to reply to
your letter to S. D. H. dated 5th July
1882, Pension Department.

Araunoor Shanmugaswami Mudali
was deputed to do duty as clerk on
Rs. 35 in the Temporary Establishment
sanctioned in Government Order 1097
R.D. dated 7th July 1876, on the under-
standing, that he should have a lien
on his post of Rs. 30 in the permanent
Establishment and be permitted to
return to the permanent Establish-
ment should the Temporary Estab-
lishment be not continued. As,
however, the Temporary Establishment
was made permanent in Government
Order 1097 R.D. 24th June 1881.

Shanmugaswami

Strenuassa Mudely, among other clerks in the Temporary Establishment was confirmed in his post with effect from the date of his 1st appointment in the Temporary Establishment. This virtually cancelled the applicants law on his clerkship of Rs 30 in the permanent Establishment. Further Strenuassa Mudely drew no part of the pay of his permanent post of Rs 30 during the time he was employed in the Temporary Establishment.

Under these circumstances and as section 71 of the Civil Pension Rules sanctions the counting towards pension of temporary service of the nature above alluded to, I included in the calculation of Strenuassa

Mudely's average emoluments for pension, the pay which he drew in the Temporary Establishment.

It should be, however be considered that the interpretation of the rules does not admit of the inclusion of such pay in the calculation of the

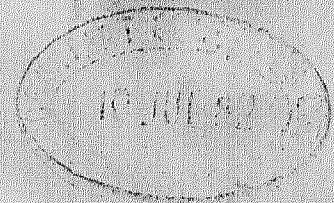

15th May 1877 to 29th February 1880 at Rs 25 — 2 — 7 — 11 — 4
 1st March 1880 to 30th Sept. 1881 at Rs 30 — 1 — 7 — 6 — 5 — 10 — 4
 1st October 1881 to 14th May 1882 at Rs 35 — 6 — 7 — 14 — 260 — 12 — 11
 5 — 6 — 6 — 67/669 — 8 — 3
 24 — 13 — 2

the applicants average emoluments for pension, I beg to point out that the average emoluments for pension are Rs 27 13 2 per annum as shown in the margin, and not Rs 27 3 3, — according to your letter. The pay which the applicant drew from the date on which he was confirmed viz 1st October 1881, must be included in the calculation.

The letter in reply is herewith returned.

I have the honour to be, Sir,

Yours most obedient servant

Collector Raipur

A medical certificate is forwarded as

Registered it will be observed the date "20th August 1880" has been altered into "1st March 1880"; this latter being the correct date.

Seeniassa Moodelly when permanent Clerk on Rupees 25-⁰⁰ was appointed to act as Clerk on Rupees 30-⁰⁰ on the 1st March 1880, the permanent incumbent G. Ponnurangam Pillay having retired on that date.

On the same day he (Seeniassa Moodelly) was appointed as a Clerk on Rupees 35-⁰⁰ in the temporary establishment referred to in the marginally noted papers which appointment he held up to date of his retirement. In the interval between the 1st March 1880 and 30th September 1881, when the temporary establishment was sanctioned as a definite arrangement.

Seeniassa Moodelly had a lien on the Clerkship of Rupees 30-⁰⁰ in which he was confirmed (on receipt of Government Order sanctioning the grant of Ponnurangam Pillay's Pension) ^{with} retrospective effect from 1st March 1880 - the date of Ponnurangam Pillay's retirement. ^{His} Board's Proceeding no. 2225 dated 11th October 1881.

It will thus be seen that the entry in the Service Register, viz, 20th August 1880

Government Order dated 4th July 1876 No. 917 R.D.
24 June 1881 No. 945 R.D.

* Standing Order No. 241

is an error, and I have now corrected it. As the same erroneous entry has been made in the annual list of establishment for 1881 and 1882, I have the honor to request that corresponding corrections may be made in the copies already forwarded to you.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that qualifying service in Superior Grade has been duly provided for 49 years 4 months and 14 days and that (subject to the remarks below recorded) the applicant is entitled to a Pension of \$13-14-7 per annum equal to the average of his salary in the last 10 years of his service in the Civil Pension Code, 5th Edition.

The regulations have been duly verified.

The recommendations with Rules 4 under Section 60 of the Government respectfully solicited to Section 65 of the Code.

It will be seen from the entry opposite to R. 11 on the 1st page of the application that the Collector recommends the grant of a Pension of \$14-11-3 in lieu of \$13-14-7 a month, the amount recommended by this Office. The difference is due to the inclusion in the calculation of average of the additional temporary pay drawn by the applicant from 1st March 1880 to 30th September 1881 the period of his employment on an establishment which was at first created experimentally and ultimately became permanent as well as for the period during which he retained leave and counted service for pension in his subsequent appointment. The pay of which was only \$30-00 a per annum. But this Office has rejected the additional deputation allowance under the authority contained in Rule 1 Section 123 of the C. P. Code.

It is a note in the Service Book it will be seen that the applicant was confirmed in his appointment on the Temporary Establishment on the 31st October 1881 while from 1st July 1882 to 31st March 1884 he was employed on the Permanent Establishment on the 31st March 1884. The latter date accompanying it is clear that he was confirmed with effect from 1st July 1882. The latter date has been accepted as the correct one without further reference on the point.
