Certificate and report from the Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 29th August 1882, No. A.D.J.-212.

Certified that qualifying service in superior grades has been duly proved for twenty-eight years, six months, and eighteen days; and that an invalid pension not exceeding Rs. 29-13-8 per mensem, equal to half average emoluments, is admissible under Exception 1, Section 53, and Sections 102 and 109 (c) of the Civil Pension Code, 5th Edition. Although the net period of the applicant's qualifying service amounts to twenty-seven years, six months, and eighteen days only, another year's service has been added to it with reference to G.O., No. 2038, dated 10th October 1879, making the total period of service twenty-eight years, six months, and eighteen days.

The delay in the submission of the report is due to repeated references which have had to be made in respect of the verification of the applicant's service.

No. 42

From *H. J. Clagstone Esq.*  
OFFR ACCOUNTANT-GENERAL  
TO THE GOVERNMENT OF MADRAS,

To THE *Secretary to the Pension General*  
*With the Govt of Madras.*

SIR, I am returning herewith again the application for Pension on behalf of Cassimollah Appiah, late an Hospital Assistant attached to the Principal Assistant Collector's Office, Ganjam, and the papers connected therewith, received with your endorsement No. 2841 dated the 26<sup>th</sup> May 1882. I have the honor to observe that the application contains so many alterations and erasures all unattested by a gazetted officer, that I do not consider it proper to submit it for disposal to Government. Further, the whole history of the Applicant's services has not been properly entered in the 2<sup>d</sup> page, as

21/1/88

18/1/89

as it ought to have been, now  
does it contain any information  
as to the class and nature of the  
office records with reference to  
which the service was verified.

I gather from the last Pay  
Certificate furnished that the  
applicant after being transferred  
to the Civil Department enjoyed  
leave of absence of some kind  
which should be deducted from  
the total period of his qualifying  
service. If I am correct in my  
supposition, I request that you will  
be so good as to cause the period  
of such absence to be distinctly entered  
in the application.

From the Proceedings of  
Invaliding Medical Committee fur-  
nished, there is nothing to prove  
that prior to removing the applicant  
from the service on the ground  
of unfitness for further service,  
he was examined by a Medical  
Officer as required by the Provisions  
of the Civil Pension Code.  
Explanation should be furnished  
on this point, and a Medical Certificate

196  
in the form prescribed in Section 104  
of the Code should be obtained,  
if possible, and forwarded to this  
Office at a very early date.
