14TH SEPTEMBER 1882, No. 863, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Collector of Kistna, dated 29th July 1882, No. 1840.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 29th August 1882, No. A.D.J.-211.

Certified that qualifying service in superior grades has been duly proved for twenty-five years and three days, and that a superannuation pension not exceeding Rs. 100 per mensem, equal to half average emoluments, is admissible under Sections 106 and 109(c) of the Civil Pension Code, 5th Edition. The calculations have been duly verified.

2. In accordance with Rule 4, under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

3. It will be seen from the history of service that the applicant was made to retire from the service on the 24th April 1880, while his age was under fifty-five years. In the course of verification of his service it was found that he had earned a title to one-third pension only, and that additional service of about sixteen months would be necessary to entitle him to a pension of half average emoluments. In order that the applicant might not be deprived of this advantage and that he might retire without producing a medical certificate of incapacity for further service, the Collector appears to have recommended to the Board of Revenue in 1881 that he should be reinstated in his appointment, and that the period of non-employment intervening between 23rd April 1880 and 24th March 1881 should be regarded as furlough. This recommendation was accepted by the Board and ultimately sanctioned by Government (*vide* their Order, No. 2334, dated the 25th July 1882, Revenue Department). Under these circumstances, it does not seem necessary that the period of non-employment, which would otherwise form a break entailing forfeiture of past services, should now be formally condoned by Government under Section 98 of the Civil Pension Code.

ORDER—dated 14th September 1882, No. 863, Pension.

Under Sections 106 and 109 (c) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Kanchi Annajirow Pantulu, late Tahsildar, Palnád Taluk, Kistna District, a superannuation pension of

Rs. (100) one hundred per mensem, payable at Conjeeveram, Chingleput District, from 16th July 1882, in consideration of his qualifying superior service of twenty-five years and three days.

FORM THE ACCOUNTANT GENERAL

TO THE GOVERNMENT OF MADRAS,

TO THE *Ag. Collector of Kistna*

SIR,

In returning the service statement of
Kanchi Annaji Rao Pantulu with its enclosures
received with your endorsement No. 2381 dated
28 October 1880 for verification, I have the honor
to state that his services from 1st May 1856 have
been verified by reference partly to the Annual
Returns and partly to the Audit Registers on record
in this office and found to be correct.

It is observed from the accompanying
papers that Annaji Rao Pantulu was only 53 years
old at the time of retirement. I have therefore
to point out that under the Rules of the Civil
Pension Code he will not be entitled to a super-
annuation Pension as recommended by the Acting
Deputy Collector of Kistna in his letter No. 133 dated
8th March 1880, nor would he be eligible for a
Retiring Pension, as his entire qualifying service
amounts to less than 30 years. Under these circum-
stances, the applicant would seem to be entitled

to

Mr. Collector.

to 1st pension only on production of a Medical Certificate of unfitness for further service.

When submitting the regular application on behalf of the applicant, Copies of Board's Miscellaneous No. 9076 dated 19th August 1880 and of the letter from the Income Commissioner intimating the result of the verification of the applicant's services in his Department should also be forwarded.

I have the honor to be,
 Sir,
 Your obedient Servant,
 D. S. G. S.
 Offg. Secy to the Govt.

calculations have been duly verified.

In accordance with Rule 4, under section 130 the attention of Government is respectfully drawn to the fact that the applicant was made to retire from the service on the 24th April 1880. It will be seen from the history of service that the applicant earned a little while his age was under 55 years. In the course of verification of his service it was found that he had earned a little

to one third pension only and that additional service of about 16 months would be necessary to enable him to a pension of $\frac{1}{2}$ average emolument. In order that the applicant might not be deprived of this advantage and that he might retire without producing a medical Certificate of incapacity for further service the Collector appears to have recommended to the Board of Revenue in 1881 that he should be permitted in his appointment and that the period of non-employment intervening between 23rd April 1880 and 24th March 1881 should be regarded as ²⁴ full strength. This recommendation was accepted by the Board and ultimately sanctioned by Government (vide this order No 2334 dated the 25th July 1882 Revenue Department). Under these circumstances it does not seem necessary that the period of non-employment which would otherwise form a break entailing forfeiture of past services should now be formally condoned by Government under section 98 of the Civil Pensions Code.
