15TH SEPTEMBER 1882, No. 868, PENSION.

GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—the following papers:—

From the Commissioner of Salt Revenue, dated 14th July 1882, No. 7030.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 12th August 1882, No. A.D.J.-181.

Certified that qualifying service in superior grades has been duly proved for fifteen years, two months, and nineteen days, and that an invalid pension not exceeding Rs. 5-14-2 per mensem, equal to one-third average emoluments, is admissible under Sections 102 and 109 (b) of the Civil Pension Code, 5th Edition. The calculations have been duly verified. It is observed from the remark opposite to No. 1 in the third page of the application that the character and past conduct of the applicant have been recorded to be "bad." It rests therefore with Government to make such reduction in the amount of pension that may be sanctioned to him as it may deem proper with reference to Rule 1, Section 65, of the Code. The Commissioner of Salt Revenue proposes that a pension of Rs. 5 be granted to him, although the one-third of his average emoluments amounts to Rs. 5-14-2 a-month.

2. It will be seen from the history of service that the applicant enjoyed privilege leave of absence from 18th January to 15th February 1867 when he was not entitled to such leave, having enjoyed similar leave within six months reckoning back from 18th January 1867. It rests with Government to decide therefore whether the leave allowance erroneously drawn by him should or should not be recovered from the arrears of any pension that may be sanctioned to him.

3. The amount of pension proposed by the Assistant Commissioner of Salt Revenue is in excess of that calculated by this office. The difference is due to the inclusion by the former of acting allowances in the calculation of average emoluments for pension.

ORDER—dated 15th September 1882, No. 868, Pension.

Under Sections 102 and 109 (b) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Negapatam Sockalinga Mudely, late Clerk, Vedarniam Salt Factory, Tanjore District, an invalid pension of Rs. (5) five, payable at Negapatam from 20th May 1882, in consideration of his qualifying superior service of fifteen years, two months, and nineteen days.

2. The Government are pleased to direct that the leave allowances erroneously passed to the applicant in 1867 need not be recovered from the pension now sanctioned.

Official Memo

Recd. depositions by Mr Russell
and Clerk Chockalinga Moodali
regarding altering Entries in the
Line-wari Account for 8th July 1881.

The facts are, briefly, that Chocka-
linga Moodali made a mistake
in his Line-wari which he did
not notice until the following mor-
ning and then instead of going at
once to the Inspector and reporting the
same, he put his account right by
altering the tally and inserting the
30 Maunds under the name of Sullaya;
(unfortunately for him the ryot Gonda-
pillay had been keeping tally
and complained to Mr Russell
who called for the book at once
and then brought it to the Assistant
Commissioner when he saw the

matter to Mr Russell, but he con-
-fessed it to the Assistant Com-
-missioner

2. The Clerk has of course laid
himself open to the suspicion of having
willfully entered 30 names in excess
under Sallicah's name, but the Assistant
Commissioner feels sure that this is
not the case for if it had been the
Clerk's intention to swindle and yet
by defrauding another, he would
have managed it without all this
scratching out which was done
to attract attention. While the
offence he has committed is a
very grave one and must be severely
punished, the Assistant Commissioner
is of opinion that this Clerk should
never have been selected for this
duty, but the Assistant Commissioner
of Lahore sent him here, he had
to be made use of

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for {superior} *years 2* months *5th edition* and 19 days; and that *unimpaired* {pension gratuity} not exceeding Rs. 5-14-2 per mensem, is admissible under Section 102 of the Civil Pension Code. The calculations have been duly verified. *It is observed from the amount opposite to No 1 in the 3rd page of the application, that the Character and past conduct of the applicant have been recorded to his disadvantage. It is not therefore with opinion: sent to make and reduction in the amount of pension that may be sanctioned to him as it may seem proper with reference to Rule 1, Section 65 of the Code. The Commission of Salt Revenue proposes that a pension of Rs. 5-14-2 be granted to him, although the 73rd of his average emoluments amounts to Rs. 5-14-2 a month.*

It will be seen from the history of service that the applicant enjoyed Privileged leave of absence from 18th January to 15th February by which he was not entitled to such leave having enjoyed similar leave with in 6 months reckoning back from 18th January 1867. It rests with Government to decide therefore whether the leave allowed erroneously drawn by him should or should not be covered from the amount of any pension that may be sanctioned to him.

The amount of pension proposed by the Asst. Commissioner of Salt Revenue as an excess of that calculated by this Office. The difference is due to the inclusion, by the former, of acting allowances in the calculation of average emoluments for Pension.
