GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—the following papers :—

From the Collector of Madras, dated 4th July 1882, No. 265.

Certificate and report from the Accountant-General, to the Acting Under Secretary to Government, Pension Department, dated Fort St. George, 12th August 1882, No. A.D.J.-174.

Certified that service in inferior grades has been proved for thirty years, four months, and twenty-five days, but that no retiring allowance would seem to be admissible, as Government in their Order, No. 277, dated the 8th July 1878, Pension Department, decided that service on the establishments for stamping weights and measures, in which the applicant was last employed, should not be regarded as pensionable.

2. It is observed that in the case of Syed Oommer, who was a contemporary employé of the applicant, and whose case was disposed of in G.O., No. 905, dated the 16th September 1881, Government differed from the opinion expressed by this office and sanctioned the grant to him of a pension with the remark that the Government Order quoted in the preceding paragraph had reference to an establishment entertained in 1861, whereas Syed Oommer was employed in 1860, and had then over ten years' service in the permanent establishment. But this remark would not hold good in the case of the applicant whose transfer to the Stamping Department took place long after 1861.

3. Should Government, however, be pleased to recognize the transfer as one condonable under Exception (e), Section 96, of the Civil Pension Code, the applicant's service up to the date of such transfer may be admitted to have been proved for eleven years, three months, and twenty-five days, entitling him to an invalid gratuity not exceeding Rs. 28, equal to four months' pay, under Sections 102 and 117 (a) of the Code.

ORDER—dated 18th September 1882, No. 877, Pension.

Under Sections 102 and 117 (a) of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Lickem Nagojee Row, late Peon, Stamping Department, Deputy Collector's Office, Madras, an invalid gratuity of Rs. (28) twenty-eight, equal to four months' pay, payable at Madras, in consideration of his qualifying inferior service of eleven years, three months, and twenty-five days, from 6th January 1852 to 30th April 1863.

2. The Government do not now maintain the principle on which pension was granted in G.O., 16th September 1881, No. 905.

the rest was in the Estab^t for stamping

By G.O. 8th July 78 no 27, the latter
service was declared nonqualifying.

But subsequently by G.O. 16th Sep 81
no 905 pension was given in a
case analogous to that of the present
appl^t on the grounds that the former
G.O. only applied to an estab^t entertained
in 1861, whereas appl^t having been
entertained before that year.

Now the former G.O. contains no such
provision: it is absolute & unconditional
& advantage was taken in the latter G.O.
to avoid its application to a particular
case because it was considered a hardship.

However the present appl^t was entertained
after 1861. It would be of no use to ask
India for a pension for him. Gov^t have
reported the stamping estab^t to India as
temporary - contingent - local - Submit^t
that a gratuity of Rs 28 dur for the 11th 1880
served in qualifying estab^t be passed
+ in the G.O. that Gov^t say "they
