No. 580.

From

J. R. Boyson. Acting Honorable Company's Solicitor.

To

The Chief Secretary to Government.

Madras December 29th 1866.

Sir,

See from Commissioner of
Tanjore to Chief Secretary
to Government 28th
Decemr 1866 No. 90.

I have the honor to acknowledge the order
of Government on the letter noted in the margin.

I assume that the "Car Crop", "Garden
produce" and "Bazaar land" to which the
Commissioner refers in the 3rd para. of his
letter, arise or have arisen from lands which
may come within the definition of "private
and particular estate or effects of the late
Rajah" and I therefore advise that he
(the Commissioner) do not sell, dispose of,
or give up any portion of such Car Crop,
but retain it as far as may be practicable
in its present condition, storing it and taking
all possible precautions for its safety and
security; that he do not proceed further with
the

the threshing of this crop, but store it in its
unthreshed state; that he do not gather or
sell or in any way interfere with the garden
produce; and that he do not collect or
in any way interfere with the Bazaar Tax.
It is very probable that by adopting this
course, the Car Crop may be reduced in value,
that much of the Garden produce will be
wholly lost and much of it seriously depre-
ciated in value; and that portions of the
Bazaar tax may become wholly unrecoverable,
but this cannot in my opinion be avoided
and seems to me very unimportant as
compared with the results that might
follow a breach of the injunction.

I do not quite understand the state
of circumstances to which the Commissioner
refers in using the expression "the"
"December Kist will be due in a few days".
I am not aware that the late Rajah or
any of his Sub Tenants or Ryots paid Kist
to the Honorable Company and I therefore
assume that the Kist in question must
have

have been payable by the Ryots or Cultivators
to the Rajah. If so, and it is possible that
the Lands in respect of which such Kist
is payable may come within the definition
of "private and particular estate or effects"
the Commissioner should also refrain from
realizing or in any way dealing or inter-
meddling with this Kist.

Return the Letter above noted and
would be to observe that the matters therein
referred to and the course which the Com-
missioner should pursue may be more
materially affected by the instructions relating
to this case recently received from the Government
of India.

I have the honor to be,
Sir,
Your Most Obedient Servant.
