Ex. 11. M/C Political
Lep. 27 Decemr 1856
N^o 538.

With reference to the extract from Minutes of Consultation noted in the margin, I have the honor to state as my opinion, that the future remittances by the Collector of Tanjore to the Resident at Tanjore may very properly be restricted to the amounts which the Resident may from time to time require for his authorized Disbursements; that such a course will in no way contravene or be at variance with the Supplication recently granted by the Supreme Court, and may therefore be (safely) pursued.

I have the honor to be,

Sir,

Your Obedient Servant.
