To

H. Forbes Esq

Resident. Tanjore

Sir

I have the honor to report to you  
the death of the Princess Rajasa  
Boya Ammanee Rajoye, eldest daughter  
of the late Rajah of Tanjore at  $\frac{1}{2}$  past  
12. A.M. on the morning of the 26<sup>th</sup>  
instant.

The Government will be pre-  
pared for this announcement from  
my previous reports of her precarious  
state, and at the second withdrawal  
of the fluid by the operation of  
tapping, which on this occasion  
amounted to no less than eight  
gallons, alarming symptoms of collapse  
set in.

Both

Both Dr. Joseph and myself  
have reason to believe that had we  
been permitted to perform the opera-  
tion at an earlier period it would  
most likely not have been attended  
by such a result, altho' there was  
no hope of her life being preserved  
for any lengthened period.
